Catalog Description:
A Basic Police Academy certified by the Commission on Peace Officer Standards and Training (P.O.S.T.) for the State of California. This intensive 20 week Academy teaches criminal law, laws of search and seizure, laws of evidence, traffic laws, investigative techniques, patrol procedures, firearms, vehicle operations course, defensive tactics, police report writing, first aid, and cardio pulmonary resuscitation. The Basic Police Academy provides instruction and evaluation of all academic, physical, and behavioral traits required by the State of California to meet the minimum standards to be employed as a peace officer in California.

Prerequisites/Corequisites:

Recommended Preparation:
Eligibility for ENGL 100 or ESL 100

Limits on Enrollment:
Student must pass California Peace Officer Standards and Training (POST) Entry-Level Law Enforcement test with a minimum T-Score of 42. There is data compiled by POST that indicates a range of T-40 to T-50 is recommended for use by agencies. Because the academy is an entry requirement for a law enforcement position, it is necessary to use this test for entry level. POST has completed studies for both agencies and community colleges indicating success in the

academy and on the job based on these scores. Student must provide a medical clearance to participate in the academy physical conditioning program and physical performance tests. Students must pass POST-mandated physical performance test to enter the academy. California residents must pass a criminal history check as outlined in California Penal Code 13511.5. Non-residents must also pass a criminal history check through the Federal Bureau of Investigation (FBI). Students must possess a valid driver's license.

Schedule of Classes Information:

Description: Basic Police Academy provides all academic , physical skill training and assessment required by the State to meeting the minimum standards to be eligible for employment as a peace officer in California. Provides the opportunity to observe, develop and employ the behavioral traits of a professional peace officer in a controlled setting. (Grade Only)

COURSE CONTENT

Outcomes and Objectives:

Upon completion of this course, the student will be able to:

1. Demonstrate through learning activities and cognitive tests a working knowledge of the basic principles of the law enforcement profession which will minimally include: law enforcement history,

- ethics, career influence and state court and correction systems.
2. Demonstrate through learning activities, exercises, and scenarios knowledge of community relations, community oriented policing, tactical communication strategies, and cultural awareness and diversity issues.
 3. Recall and apply through cognitive and scenario tests current laws of the State of California as they relate to criminal behavior, traffic enforcement, laws of evidence, and search and seizure.
 4. Develop and write effective police reports based on word pictures or scenarios.
 5. Demonstrate through cognitive and exercise tests, the ability to safely and effectively operate a law enforcement emergency vehicle both in low and high speed and under variable road conditions.
 6. Demonstrate through cognitive and exercise tests the legal, moral, and the safe use of both handguns and shotguns commonly employed for use by law enforcement agencies.
 7. Student will demonstrate proficient use of the handgun and shotgun, which meets the minimum standard approved by the Law Enforcement Advisory Committee.
 8. Demonstrate through exercises and scenario tests the ability to conduct specific criminal investigations, locate and process evidence at a crime scene, issue a citation for a traffic violation, complete all required tests for a Driving Under the Influence (DUI) violation, conduct an accident investigation, and demonstrate the ability to effectively and safely conduct low and high risk vehicle stops employing proper officer safety procedures.
 9. Demonstrate through exercise tests the ability to safely control and arrest a suspect using approved weaponless defense techniques, including the proper use of the police baton, and application of the carotid restraint.
 10. List the current civil and criminal liabilities and penalties for the improper use of force.
 11. Demonstrate through cognitive and exercise tests accepted procedures for administering first aid and cardio pulmonary resuscitation.
