COURSE CONTENT

Student Learning Outcomes:

At the conclusion of this course, the student should be able to:

1. Apply principles of communication to plan, organize, and prepare effective and ethical business letters, memos, emails, proposals, reports, and oral presentations.
2. Critically analyze content, organization, style, tone, sentence structure, grammar, goodwill, and business format.
3. Present information and ideas clearly and accurately in writing and verbally.
4. Create a customized resume for a specific job position.

Objectives:

Upon completion of this course, the student will be able to:

1. Describe the communication process: the sender, the message, the channel, the receiver, and the feedback.
2. Analyze how word selection, content, organization, style, tone, sentence structure, grammar, punctuation, goodwill, and business format affect business communications.
3. Analyze audience and anticipate audience needs, recognizing dimensions of culture including context, individualism, and time orientation.
4. Recognize professionalism, ethical business practices, and business etiquette in communication situations, including in social media and intercultural interactions.
5. Utilize techniques to listen, problem solve, plan, organize, compose, and present information clearly and accurately.
6. Compare the direct pattern for conveying positive messages and the indirect pattern for conveying negative messages.
7. Recognize established and commonly accepted business writing and delivery patterns and formats.
8. Determine the proper and most appropriate delivery pattern and format for a variety of

- business situations.
9. Plan, organize, write, proofread, and revise business letters, e-mails, memos, proposals/reports, and presentations.
 10. Properly cite research data and references; distinguish between formal and informal research methods and between primary and secondary sources of data.
 11. Deliver individual or team oral business presentation.
 12. Select an appropriate resume format for a specific job position to create a resume and application cover letter.
