## **COURSE CONTENT**

### **Student Learning Outcomes:**

At the conclusion of this course, the student should be able to:

1. Describe systems for consistent, effective communication with families.
2. Build supportive partnerships with families from diverse backgrounds.
3. Apply methods for building community and identify community resources for children and families.

### **Objectives:**

At the conclusion of this course, the student should be able to:

1. Identify the various structures and functions of families within cultural and political contexts.
2. Compare and contrast various effective approaches to building partnerships with families.
3. Apply communication techniques for working with families.
4. Identify community services and agencies that support all families.
5. Use culturally inclusive and anti-bias strategies for family engagement.
6. Discuss the development of teacher-parent and parent-parent relationships within the program and the wider community.

### **Topics and Scope:**

- I. Family Function: History and Practices
  - A. Historical and contemporary family structures and functions
  - B. Social and political contexts
- II. The Characteristics of Families
  - A. Language
  - B. Culture
