COURSE CONTENT

Student Learning Outcomes:

At the conclusion of this course, the student should be able to:

1. Utilize communication skills in English appropriate for children, parents, and co-workers.
2. Evaluate the personal qualities of an effective early childhood educator in English.
3. Communicate in English about growth and development of children 0-8 years old.

Objectives:

At the conclusion of this course, the student should be able to:

1. Demonstrate, through reading comprehension, writing, discussion, and role play, the ability to apply developmental theory to real life situations in a childcare or preschool setting.
2. Develop formal statements to clarify one's personal/professional identity in working with children ages 0-8:
 - A. The multiple roles of a teacher and childcare provider
 - B. The importance of working in early childhood education and care
 - C. Personal characteristics and areas of improvement related to working in early childhood education.
3. Recognize key vocabulary related to domains of development and describe the typical developmental expectations of young children 0-8 years old.
4. Produce written sentences with a subject, verb, and complete idea and apply correct punctuation and capitalization at the sentence level.
5. Produce comprehensible, level-appropriate spoken English.
6. Read and restate in simple English the main idea of a short reading related to early childhood.
7. Demonstrate listening comprehension of speech generated by a child, co-worker, parent, or supervisor.

Topics and Scope:

- I. Vocabulary Recognition and Application

- A. Caring for children, guiding children's behavior and learning
 - B. Communicating with adults in a childcare/preschool setting
