

Political Science Transfer Model Curriculum
CCC Major or Area of Emphasis: Political Science
CSU Major or Majors: Political Science
Total units: 18-19 (*all units are semester units*)

Rev. 6/25/2012
 Template #1009

In the four columns on the right, enter the course identifier, course title and number of units of a course that is comparable to the course indicated for the TMC (in the far left column). If the course may be double-counted with either CSU-GE or IGETC, put an X in the GE column.

The units indicated in the TMC are semester units – and they are minimum units. All courses must be CSU transferable. Where there is an indicated C-ID descriptor, you are certifying that your course is comparable. Where no reference descriptor is indicated, discipline faculty should compare the existing course to the sample course description(s) provided in the TMC at <http://www.c-id.net/degreereview.html> and attach the appropriate report from ASSIST showing the required transferability status (i.e., CSU transferable, general education, or major preparation at CSU).
