COURSE CONTENT

Outcomes and Objectives:

Upon completion of this course the student will be able to:

- organize a specification according to the CSI Masterformat
- identify the correct location for construction product information according to the CSI Masterformat
- document the relationship of specifications to other construction documents
- read and interpret information contained in a specification
- write one three part specification Section using correct language

Topics and Scope:

- What is a specification? - purpose and role in construction project
- Reference information for specifications - standards and manufactures data
- Integration of specification with other construction documents
 - Working Drawings and Construction Contract - general conditions
 - Precedence and conflicts
- CSI Masterformat - what goes where?
- The three part specification Section - presentation of construction product information
- Sample Specifications - organization and content
- Correct language
- Reading a specification - getting the important information
- Writing a specification - for one construction product

Assignment:

Reading

Methods of Evaluation/Basis of Grade:

Writing: Assessment tools that demonstrate writing skills and/or require students to select, organize and explain ideas in writing.

Written homework, Reading reports, Essay exams, Student Project

Writing
10 - 30%

Problem Solving: Assessment tools, other than exams, that demonstrate competence in computational or non-computational problem solving skills.

Homework problems, Quizzes, Exams

Problem solving
20 - 30%

Skill Demonstrations: All skill-based and physical demonstrations used for assessment purposes including skill performance exams.

Class performances, Performance exams, Student Project

Skill Demonstrations
20 - 30%

Exams: All forms of formal testing, other than skill performance exams.

Multiple choice, True/false, Matching items, Completion

Exams
10 - 20%

Other: Includes any assessment tools that do not logically fit into the above categories.

Attendance and Participation

Other Category
0 - 10%
