COURSE CONTENT

Student Learning Outcomes:

At the conclusion of this course, the student should be able to:

1. Utilize the vocabulary, concepts, and theories of performance and communication.
2. Effectively and ethically communicate the meaning of literature to a live audience.
3. Analyze and adapt texts in preparation for oral and embodied interpretation performance.

Objectives:

At the conclusion of this course, the student should be able to:

1. Recognize personal strengths and areas for improvement when presenting for audiences.
2. Channel communication anxiety and apprehension with verbal and nonverbal performance application.
3. Critically consider performance as artistic practice and everyday communication.
4. Research, adapt, and construct individual and/or group performances for live audiences using techniques that focus on context, place, action, rhythm, mood, character, and empathy.
5. Distinguish between works of poetry, prose, drama, and other texts as genres of literature.
6. Demonstrate an understanding of the special characteristics of each genre of literature.
7. Analyze orally and in writing various texts using literary criteria, literary devices, and ethics.
8. Identify a text's premises and assumptions in various social, historical, cultural, psychological, and aesthetic contexts.
9. Write and present thoughtful introductions to literary performances, contextualizing necessary elements in order to understand and communicate a text's message.
10. Evaluate, critique, and collaborate on performances of other students.
