Topics and Scope:

The content, topics and scope of this course involve the students in situational interactions modeled on the law enforcement scene in order to develop appropriate Spanish language skills for communicating with public, and Spanish-speaking agencies. Content and topics will vary somewhat, but will reflect beginning communicative skills required to function in cross-cultural, academic, social, and job-related situations.

CONTENT (Listening and Speaking):

Self-identification, personal information; nationalities, occupations; basic classroom objects, structures and classes; colors; nunbers 1-1000,000; money denominations, buying; clothing, shopping; telling time; calendar, dates, holidays, celebrations, seasons, weather; family members, simple greetings and courtesy expressions; understanding directions; interpreting feelings, emotions and body language; house, home and society; food and drink; travel, transportation; health, body; job search; alphabet; cognates; pronunciation; interrogatives.

TASKS (Listening):

Listening for the main idea; listening with visuals; graphic fill-ins; selective listening; comprehension checks; dictation and variations; clue searching such as listening for cues to meaning in a text: syntactic features; actor, action, object; listening readiness (pre-listening) activities; information gap tasks. TASKS (Speaking):

Questions; completion and cloze exercises; true or false; matching sentence builders; word associations; group puzzles; surveys and polls; conversation cards; forced choice; slash sentences; directed dialogue; logical conclusions; information gap; conduct simple interviews and report back to class.

Assignment:

Assignments and activities will include individual, pair, and small group work, such as role-plays, interviews, problem-solving activities, dialogues and skits. Students will perform functional assignments in the community, such as requesting information over the telephone.

Methods of Evaluation/Basis of Grade:

Writing: Assessment tools that demonstrate writing skills and/or require students to select, organize and explain ideas in writing.

Written homework, Reading reports, Lab reports

Problem Solving: Assessment tools, other than exams, that demonstrate competence in computational or non-computational problem solving skills.

None

Skill Demonstrations: All skill-based and physical demonstrations used for assessment purposes including skill performance exams.
