### **Certificate/Major Applicable:**

Major Applicable Course

## **COURSE CONTENT**

### **Outcomes and Objectives:**

Upon completion of this course the student will be able to:

- 1. Identify the major woodland and forest communities and plant species in Sonoma County.
- 2. Explain the ecological factors which determine the presence and distribution of these species and communities and relate these explanations to relevant ecological theory.
- 3. Compare and contrast the ecosystem functions of these different community types.
- 4. Identify significant problems and management issues for each type and relate these identified issues to global environmental issues and proposed solutions.
- 5. Create and develop an appropriate record of field activities (field journal).

# **Topics and Scope:**

- 1. Taxonomy of major indicator species for woodland and forest communities of Sonoma County.
- 2. Ecological characteristics of Sonoma County woodlands and forests.
- 3. Human impact on these ecosystems and relevant management issues.
- 4. Procedures for development of a field journal.

## **Assignment:**

- 1. Read assigned papers.
- 2. Maintain field journal.
- 3. Write paper on a selected taxonomic or ecological issue pertinent to Sonoma County woodlands.

### Methods of Evaluation/Basis of Grade:

**Writing:** Assessment tools that demonstrate writing skills and/or require students to select, organize and explain ideas in writing.

Taxonomic or ecological paper and field journal.

Writing 40 - 60%

**Problem Solving:** Assessment tools, other than exams, that demonstrate competence in computational or non-computational problem solving skills.

None

Problem solving 0 - 0%

**Skill Demonstrations:** All skill-based and physical demonstrations used for assessment purposes including skill performance exams.

Field work, Species identification in the field.

Skill Demonstrations 10 - 30%

**Exams:** All forms of formal testing, other than skill performance exams.

None

Exams 0 - 0%

**Other:** Includes any assessment tools that do not logically fit into the above categories.

Attendance and participation

Other Category 10 - 30%
