## **COURSE CONTENT**

### **Outcomes and Objectives:**

Upon completion of this course, the student will be able to:

1. Demonstrate the professional responsibilities of a technician and/or house staff member associated with the preparation and performance of a theatrical production before a paying public audience.
2. Prioritize tasks in an environment with multiple and competing demands.
3. Demonstrate an understanding of the production process, from script to performance, and utilize basic theatre terminology within the process.
4. Recognize and exhibit the discipline of backstage protocol.
5. Adhere to the communication hierarchy of the theatre structure.
6. Support the work of the rest of a production ensemble, working cooperatively within a team structure.
7. Interpret and fulfill instructions accurately, working calmly under pressure.
8. Quickly assess situations and adapt accordingly within production and performance environments.

Students repeating the course will be preparing and performing technical and/or house staff responsibilities in conjunction with entirely different theatrical productions. Repeating students will be:

- Working with different directorial and managerial styles, as well as production processes.
- Participating in the interpretation of different theatrical works, supporting different artistic visions and developing versatility in each area of focus.
- Gaining greater proficiency in their chosen areas, improving technical or house staff skills while contributing to productions

for diverse audiences.

## **Topics and Scope:**

Students in this course will be assigned to two or more technical/front of house areas.

**GENERAL TOPICS** - The following topics will be covered for all positions:

- I. Working With the Production Ensemble

### **Assignment:**

1. Complete all responsibilities for two or more technical/front of house positions for one to three productions during the semester.
2. Attend all scheduled shop hours, load-ins, rehearsals, strikes, and/or performances to which the student is called:
  - a. Attend the introductory THAR 25 Series meeting (held the second Tuesday of each semester).
  - b. Attend full company presentations prior to each production's Tech Week (for all students in THAR 25/THAR 11 Series assigned to show).
  - c. Become familiar with each production by watching a final run-through, prior to the formal start of position responsibilities.
  - d. Communicate all potential schedule conflicts prior to finalizing assignments with instructor.(Conflicts submitted late may be turned down by the instructor or may result in removal from the production/class.)
  - e. Respond promptly and dependably to all calls.
3. Adhere to the standards of professionalism:
  - a. Maintain an amiable and supportive attitude when interacting with other members of the production ensemble.
  - b. Respectfully follow instructions in the preparation of the position and maintain that direction in performance.
  - c. Perform assigned position in a conscientious and dedicated manner.
  - d. Follow the terms of the Technician/House Staff's Contract and course syllabus.
  - e. Maintain good health and safety practices throughout the construction, rehearsal and performance process.
4. Provide and wear required attire for construction, rehearsals and

performances. House staff wear black dress slacks or skirts, and white shirts. Construction members wear appropriate safety attire. All production crews normally wear all-black clothing. When stage crew are costumed, costumes are supplied and fitting appointments will be scheduled.

5. Read the script for each assigned production.
