**Catalog Description:**

Automotive Occupational Work Experience is supervised employment of students that extends classroom learning to the job site and relates to the student's educational or occupational goal. The course is for students who work in a job that is related to their chosen course of study. When taking Work Experience courses, students must enroll in at least seven units (including Work Experience units) during regular semesters, or enroll in at least one other credit class (of any unit value) during the summer sessions.

**Prerequisites/Corequisites:****Recommended Preparation:**

Eligibility for ENGL 100 or ESL 100

**Limits on Enrollment:**

Students must have a job in a licensed business that is directly related to their educational or occupational goal. Units earned are based on hours worked during the term.
