COURSE CONTENT

Outcomes and Objectives:

Upon completion of this course, students will be able to:

1. Apply principles and rules of design and color using plants as a medium.
2. Assemble intermediately complex floral arrangements with appropriate speed and precision according to structural design principles.
3. Create floral arrangements using "line arrangement" principles.
4. Compare and contrast foliage types and kinds and their uses.
5. Describe the uses for and ways of wearing body flowers.
6. Create a corsage and other body flower designs.
7. Design a tall, stylized arrangement using gladiolas and other flowers.
8. Create hand and presentation bouquets, using simple flowers.
9. Wire flowers for a variety of uses.
10. Based on subsequent repeats:
 - a. work with different seasonal materials
 - b. increase skill with assembly and design principles
 - c. gain confidence and speed

Assignment:

1. Create a mixed flower triangular one-sided arrangement.
2. Wire different types of flowers using a variety of wiring techniques.
3. Design an "L-shaped" and a crescent arrangement.
4. Create and design an inverted "T" line arrangement, utilizing negative space.
5. Design an arrangement using only foliage (include at least 6 kinds of foliage).
6. Design a tall vase arrangement, using a tall vase, greens for the pack to work in (no foam); create an easy flowing round shape arrangement using the length of the flowers.

7. Design one corsage: a baby rose and mini carnation wristlet, using a wristlet holder.
8. Design a tall, stylized arrangement using a tall container to achieve an elegant look, using gladiolas and other flowers.
9. Design a hand held bouquet using daisies and mini carnations, baby's breath and plumosis fern with a little leather fern. Must be made in hand, no container used.
10. Midterm: most challenging arrangement. Choose the arrangement that presented the most challenge during the course and create that arrangement as a midterm project.
11. Final project: in class, create an arrangement entirely of foliage, demonstrating use of a variety of textures. Present to class.
12. Portfolio: photos of weekly design projects with accompanying journal entries listing materials and describing methods for each project.
13. Reading, 5-10 pages per week.
