COURSE CONTENT

Outcomes and Objectives:

Students will be able to:

- 1. Demonstrate attitudes and skills for humane, sensitive and critical inquiry into cultural and historical issues, specifically those related to discrimination and education in a pluralistic society.
- 2. Explore and define their own cultural backgrounds and social identities including such factors as language, ethnicity, religion, immigration, internalized privilege and oppression, and economic class.
- 3. Compare and contrast their personal cultural background, and social identities to those of other groups.
- 4. Develop and implement strategies to counter the overt and covert ways in which stereotypes, discriminatory behavior, and prejudice are learned.
- 5. Compare and contrast diverse cultural values and childrearing practices in order to work more effectively with children and families.

- 6. Analyze contemporary educational practices and environments for cultural sensitivity.
- 7. Demonstrate skills necessary to negotiate cultural conflicts between families, teachers, children, and administrators in an educational setting.
- 8. Utilize classroom environments, materials, and approaches to effectively promote pride in each childs identity, as well as delight, and respect for social diversity.
- 9. Evaluate inclusive classroom environments, materials and pedagogy that are developmentally, culturally, and linguistically appropriate to specific groups of children.

Topics and Scope:

The following topics will be addressed from an American multicultural context:

- I. Race and Cultural Styles and Practices
- A. Theories of social development
- B. Identification of the beliefs, values and child-rearing practices of ethnic/cultural groups, including African American, Asian American, Chicano/Latino American, European American, Indigenous Peoples of the Americas and Americans of Middle Eastern origin, and other relevant groups.
- C. Theories of the development of culture and language
- D. The unique needs of multiracial children and families
- II. Discriminatory Behavior in Education
- A. Role of oppression and its effect on education
- 1. Internalized oppression
- 2. Internalized privilege
- B. Historical dynamics of discrimination against women, ethnic and racial minorities, the poor, immigrants, homosexuals, people with disabilities, and others.
- C. Patterns of institutional discrimination.
- D. Self reflection regarding prejudice
- III. Development of Bias and Prejudice in Children
- A. Concepts of race, gender, disabilities, ethnicity, age and social class
- B. Identification of prejudice and discriminatory attitudes in childcare
- C. Social, cultural and institutional influences on development of biased attitudes including stereotypes
- IV. Multicultural Educational Environments
- A. Culturally sensitive interactions and communication between adults and children including the teacher's role
- B. Multicultural classroom materials
- C. Visual/aesthetic environments that reflect cultural diversity
- V. Inclusive Educational Practices
- A. Cultural conflict and discriminatory behavior in children and adults
- B. Cultural learning and communication styles
- C. Multi-cultural curriculum development
- VI. Family/ Community
- A. Family/teacher communications
- B. Family involvement and collaboration
- C. Sensitivity to the unique circumstances of families to promote inclusion
- D. Community resources
- E. Professional ethics, responsibilities, and legal implications of bias, prejudice and/or exclusion.

Assignment:
