COURSE CONTENT

Outcomes and Objectives:

Students will:

1. Identify the reasons for correct irrigation scheduling.
2. Identify the proper methods of correctly propagating grapevines.
3. Correctly calibrate a sprayer for applying pesticides.

Topics and Scope:

1. Propagation, rootstocks, varieties, and clones.
2. Pruning techniques, trellising, and canopy management.
3. Basic physiology - how a vine grows, function of vine parts, and basic anatomy.
4. Irrigation and frost protection.
5. Fertilization/fertigation techniques.
6. Pest management - pest and disease identification.
7. Soils - physical and chemical nature.
8. Cultural practices and their effect on quality.
9. Safety and farm machinery.

Assignment:

1. Read instructor prepared handouts on related topics.
2. Demonstrate ability to identify pests.
3. Name and describe the various parts of a grapevine.
4. Correctly operate fertigation equipment.

Methods of Evaluation/Basis of Grade:

Writing: Assessment tools that demonstrate writing skills and/or require students to select, organize and explain ideas in writing.

None, This is a degree applicable course but assessment tools based on writing are not included because problem solving assessments and skill demonstrations are more appropriate for this course.

Writing
0 - 0%

Problem Solving: Assessment tools, other than exams, that demonstrate competence in computational or non-computational problem solving skills.

Quizzes

Problem solving
25 - 40%

Skill Demonstrations: All skill-based and physical demonstrations used for assessment purposes including skill performance exams.

Class performances, Performance exams

Skill Demonstrations
35 - 50%

Exams: All forms of formal testing, other than skill performance exams.

Multiple choice, True/false, Matching items

Exams
10 - 30%

Other: Includes any assessment tools that do not logically fit into the above categories.

None

Other Category
0 - 0%

Representative Textbooks and Materials:

Instructor will use prepared handouts, as there are no viticulture books available in Spanish.
