COURSE CONTENT

Student Learning Outcomes:

At the conclusion of this course, the student should be able to:

1. Analyze the political, economic, social, and cultural forces that have shaped the development of American society and institutions from 1945 to present.
2. Examine the impact of race, class, and gender on particular groups since World War II.
3. Recognize and articulate the relationship between historical concepts and particular facts.
4. Demonstrate an understanding of the causes and effects of historical events after World War II.

Objectives:

Upon completion of this course, students will be able to:

1. Examine, discuss, and evaluate the experiences, roles, achievements, and contributions of European Americans, African Americans, Latinos, and new immigrants after World War II.
2. Use the social historical approach to analyze the past and identify an awareness of historical methods used by historians to interpret the past.
3. Identify examples of how class, race, and gender have shaped and reproduced power relations in American society since 1945.
4. Employ appropriate vocabulary to analyze American political history and political parties after 1945.
5. Assess major social movements including labor, civil rights, feminism, environmentalism, religious fundamentalism, neo conservatism, and their impacts on American society and politics in the postwar era.
6. Compare and contrast different historical interpretations that explain major historical events and social change over time.

 - b. Patriot Act and the debate over civil liberties
 - c. Iraq and Afghanistan Wars
- 29. The Election of Barack Obama

Assignment:

1. Weekly reading assignments of roughly 40 to 50 pages. These assignments will consist of primary and secondary sources.
2. 3,000 to 5,000 words of out-of-class writing. These assignments will be critical film reviews, analytical essays, or brief responses to reading questions. An analytical component will be part of these assignments.
3. One essay mid-term and a final.
4. Participation in discussion as directed by instructor.
5. Multiple choice quizzes and/or exams.
6. Written homework as directed by the instructor.

Methods of Evaluation/Basis of Grade:

Writing: Assessment tools that demonstrate writing skills and/or require students to select, organize and explain ideas in writing.

Critical film reviews, analytical essays, or brief responses to reading questions

Writing
20 - 40%

Problem Solving: Assessment tools, other than exams, that demonstrate competence in computational or non-computational problem solving skills.

None

Problem solving
0 - 0%

Skill Demonstrations: All skill-based and physical demonstrations used for assessment purposes including skill performance exams.

Organization of oral synopsis of weekly readings

Skill Demonstrations
0 - 5%

Exams: All forms of formal testing, other than skill performance exams.

Multiple choice and essay exams

Exams
40 - 70%

Other: Includes any assessment tools that do not logically fit into the above categories.

Class participation; oral and analytical synopsis of weekly readings

Other Category
10 - 20%
