COURSE CONTENT

Student Learning Outcomes:

At the conclusion of this course, the student should be able to:

1. Communicate interior design ideas graphically using 2D and 3D drawing techniques.
2. Produce a professional interior design portfolio targeting a particular market and customer.
3. Effectively present themselves and their portfolios to customers and professionals.

Objectives:

During this course students will:

1. Draw furniture styles accurately and at scale on floor plans and in elevations.
2. Apply the principles of light, shade and shadow to perspective drawings of interior spaces and objects.
3. Apply color pencil to black and white illustrations for dramatic effect and to communicate design ideas.
4. Analytically examine and select portfolio contents based on type of presentation and professional objectives.
5. Evaluate various levels and styles of professional portfolios.
6. Apply various techniques to assemble a variety of design projects to achieve professional results.
7. Prepare a designer's statement and brief biography or resume to accompany the portfolio.
