Title 5 Category: AA Degree Applicable
Grading: Grade Only
Repeatability: 00 - Two Repeats if Grade was D, F, NC, or NP
Also Listed As:
Formerly: INDE 65

Catalog Description:
This class will explore the accessibility standards and requirements for design of barrier free interior spaces. Includes a review of the California Code and other building and barrier free regulations.

Prerequisites/Corequisites:
Course Completion of INDE 20 (or INDE 61.1 or INDE 61)

Recommended Preparation:
Eligibility for ENGL 100 or ESL 100

Limits on Enrollment:

COURSE CONTENT

Outcomes and Objectives:

Upon completion of this course, the student will be able to:

1. Define terminology related to barrier free design.
2. Compare and contrast a variety of design options for accessibility.
3. Locate and interpret codes, laws and statutes related to designing barrier free interiors.
4. Demonstrate a working knowledge of design requirements for accessibility.
5. Assess an interior space and recommend alterations for accessibility.
6. Design a barrier free interior space.
7. Locate and effectively utilize resources for designing accessible interiors.

Topics and Scope:

I. Introduction to Accessibility

A. Background and numbers of individuals affected

B. Design terminology

1. Universal design
2. Accessible design
3. Adaptable design
4. Barrier free design
5. Transgenerational or life span design

C. History

1. Technical standards and ANSI (American National Standards Institute)
2. ADA (Americans with Disabilities Act)
3. Other disabled access regulations
 - a. Title 24 of the California Code of Regulations
 - i. Chapter 11A
 - ii. Chapter 11B
 - b. UBC (Uniform Building Code)
 - c. UFAS (Uniform Federal Accessibility Standards)

II. Overview of the Codes, Laws, and Statutes

- A. Certified Interior Designers Law and other professional practice Acts
- B. Title 24
 - 1. Enforcement
 - 2. Existing facilities
 - 3. Alterations
 - 4. Unreasonable hardship
 - 5. Other alteration projects
 - 6. Projects exempt from alteration status
 - 7. New construction
- C. Sections of the Americans with Disabilities Act (ADA)
- D. UBC
- E. UFAS
- F. Definitions
- G. Exemptions
- III. Accessibility
 - A. Route requirements
 - B. Operating controls
 - C. Doors
 - D. Kitchens
 - E. Toilet and bathing facilities
 - F. Exit facilities
 - G. Emergency egress openings
 - H. Smoke detectors
 - I. Halls
 - J. Stairs
 - K. Room dimensions
 - L. Light, ventilation, heating, and sanitation
 - M. Ramps
 - N. Elevators
 - O. Handrails
 - P. Platform lifts
 - Q. Drinking fountains
 - R. Ground and floor surfaces
 - S. Assembly access
 - T. Dining and banquet halls
 - U. Checkstands and check out counters
 - V. Storage requirements
 - W. Public telephones
 - X. Hotel/motel
 - Y. Medical care facilities
- IV. Designing Barrier Free Interiors
- V. Resources

Assignment:

- 1. Reading: approximately 5 - 15 pages per week
- 2. Weekly problem solving design assignments (15)
- 3. Assess a public building for possible barrier free adaptations; write a 3-5 page summary report
- 4. Final project: design a barrier free interior space and produce a floor plan showing barrier free access
- 5. Oral presentation of final project
- 6. Midterm and final exam

Methods of Evaluation/Basis of Grade:

Writing: Assessment tools that demonstrate writing skills and/or require students to select, organize and explain ideas in writing.

Summary report

Writing
10 - 20%

Problem Solving: Assessment tools, other than exams, that demonstrate competence in computational or non-computational problem solving skills.

Design assignments; oral presentation of final project

Problem solving
40 - 50%

Skill Demonstrations: All skill-based and physical demonstrations used for assessment purposes including skill performance exams.

Final project

Skill Demonstrations
10 - 20%

Exams: All forms of formal testing, other than skill performance exams.

Exams: multiple choice, true false, completion, short answer

Exams
10 - 15%

Other: Includes any assessment tools that do not logically fit into the above categories.

Attendance and participation

Other Category
5 - 10%
