COURSE CONTENT

Student Learning Outcomes:

Upon completion of the course, students will be able to:

1. Initiate and maintain simple conversations in ASL on everyday topics using statements and questions with appropriate grammatical structures and high frequency vocabulary.
2. Use and comprehend appropriate vocabulary for a variety of everyday topics and activities.
3. Use appropriate grammatical structures such as yes/no questions, wh-questions, rhetorical questions, and topicalization.
4. Identify defining features of Deaf culture, particularly as they differ from the hearing world.

Objectives:

Students will be able to:

1. Participate in interactions involving high-frequency ASL vocabulary.
2. Comprehend and produce a variety of basic commands in grammatical ASL.
3. Comprehend and articulate a variety of spatial orientations and relationships involving specific locations.
4. Prepare a grammatically correct dialogue in ASL about the relationships between the family members including ages, occupations, and their likes/dislikes.
5. Description using topicalization in ASL of dates and activities from a calendar.
6. Use number signs, time designations, and descriptions to produce an accurate ASL description of a variety of situations.
7. Use yes/no-questions, rhetorical questions, topicalization, and wh-questions.
8. Use classifiers to describe shapes and movements among objects and people.
9. Examine the narrative elements and structures of basic short stories in ASL and retell those stories.
10. Describe some basic Deaf culture rules of social interaction within the Deaf community and apply these rules to produce effective basic communication with Deaf people.
11. Demonstrate an understanding of the relationship between the practices and perspectives of American Deaf culture.

12. Demonstrate ability to respond to listeners' metalinguistic feedback.
13. Demonstrate ability to recognize and produce words via fingerspelling.

Topics and Scope:

- I. Self-Identification, Personal Information, Nationalities, Hearing/Non-hearing, and Occupations
- II. Family Members
- III. Clothing and Descriptive Classifiers
- IV. Response to Social and Personal Questions
 - A. Backchanneling
 - B. Information correction
