COURSE CONTENT

Outcomes and Objectives:

GOALS: STUDENTS WILL BE ABLE TO:

I. COMMUNITY RELATIONS CONCEPT

- A. Recognize the problems confronting the relationship of the Criminal Justice System and their community as well as the need for a criminal justice practitioner partnership in developing community resources and crime prevention programs.
- B. Recognize and identify that community relations are not the unique concerns of specialized units, but rather the concern of a department's entire personnel.
- C. Examine the communication process with a view to fostering and improving communications and understanding between the criminal justice practitioner and the community.
- D. Identify objectives for the Criminal Justice System and the community to achieve in order to understand and appreciate the nature and causes of the complex problems in people-to-people relations, with a view to improving minority and/or sub-culture group relationships.

II. CULTURAL DIVERSITY

- A. Identify differences in cultural backgrounds on at least (3) ethnic groupings, e.g. African Americans, Asian Americans, Latino Americans, European American, Indigenous Persons of the Americas, and Americans of Middle Eastern origin.

- B. Identify and understand how the cultural composition of California is changing and how this change is impacting the delivery of law enforcement services.
- C. Identify the benefits of valuing diversity both within a law enforcement organization and within the community it serves.
- D. Identify and provide information concerning the evolution of human rights, the nature and origins of prejudice, the nature and origins of discrimination, and how understanding these issues can contribute to more effective cultural contacts.
- E. Identify how current events or recent experiences can shape the attitude of cultural groups towards law enforcement and towards other cultural groups.
- F. Identify the difference between cultural stereotyping and law enforcement profiling.
- G. Identify the principles associated with professional community contacts and techniques for effective interaction with cultural groups.
- H. Identify areas of individual self-discovery concerning cultural contact experience and personal prejudices.
- I. Identify the critical role of gender within the context of particular ethnic groups and their relationship to the larger society.

III. SEXUAL HARASSMENT

- A. Identify the nature and historical perspectives associated with sexual harassment.
- B. Identify state and federal laws which define sexual harassment.
- C. Identify behaviors which constitute sexual harassment.
- D. Identify how to respond to sexually offensive or unwanted behavior in the workplace, and how to initiate a sexual harassment complaint.
- E. Identify the state mandated sexual harassment complaint process guidelines, legal remedies available, and protection from retaliation against complainants of sexual harassment.

IV. HATE CRIMES

- A. Identify laws which define a hate crime.
- B. Identify the indicators of hate crimes.
- C. Identify legal rights of, and remedies available to, victims of hate crimes.
- D. Identify the impact of hate crimes on victims, victim's families and the community.
- E. Identify elements which comprise an effective law enforcement response to a hate crime.

V. VICTIMOLOGY/CRISIS INTERVENTION (LD 4.1.)

- A. Identify the psychological responses to stress and victimization.
- B. Identify the symptoms of stress and defuse crisis situations.
- C. Identify the provisions of the law relating to crime victims.

- D. Provide pertinent information to crime victims.
- E. Identify the impact crime can have on individuals and the community.

OBJECTIVES

- I. The student will identify cultures and philosophies as they apply to initiating positive community interaction.
- II. The student will identify the complex nature of person-to-person communications. The student will demonstrate knowledge of the barriers to and the techniques for enhancing effective communications between different ethnic groupings.
- III. The student will identify the factors of why people in the community behave as they do and to use this understanding to make criminal justice-community relations and the concept of culture/ethnicity more effective.
- IV. The student will participate in projects designed to develop understanding of specific cultural groups.

Topics and Scope:

- I. Criminal Justice System and Contemporary Society
 - A. Roles of the Police, Judiciary and Corrections
