COURSE CONTENT

Student Learning Outcomes:

At the conclusion of this course, the student should be able to:

1. Upon completion of this course, the student will be able to communicate a visual approach to costume design through research analysis and costume renderings for a work of dramatic literature.

Objectives:

At the conclusion of this course, the student should be able to:

- 1. Identify and apply the general concepts, techniques, and terminology related to costume design.
- 2. Assess the function of the Costume Designer in the creation and implementation of a design concept for production, and discuss this function in relation to the entire production staff.
- 3. Analyze a work of dramatic literature to assess its stylistic and practical costume requirements.
- 4. Conduct historical and stylistic research on a work of dramatic literature.
- 5. Render conceptual sketches of costumed characters for a work of dramatic literature.
- 6. Resource fabric and other materials for costume design and construction.
- 7. Demonstrate sufficient skills to draw and paint or digitally manipulate detailed costume renderings and pattern diagrams.
- 8. Work cooperatively with the Costume Studio Staff in developing and organizing schedules, plots, fittings, and budgets; employ other communication tools as necessary for the production of costumes.

Topics and Scope:

I. Overview

- A. Basic functions of a costume
- B. Basic functions of a costume design

C. Role of the Costume Designer

- II. Script Analysis for Costume Design
 - A. Understanding the play
 - 1. Forms of drama
 - 2. Elements of drama
 - B. Script requirements relating to costume design
 - 1. Period, environment, and time passage
 - 2. Practical costume requirements
 - 3. Costume changes, method, and flow
- C. Different approaches to reading the script

III. Research

- A. Setting goals for productive research
- B. Sources for costume design research
- IV. Conceptualization
 - A. Developing a design concept
 - B. Conceptualizing with others
- V. Elements and Principals of Design
 - A. How design elements relate to costume design
 - B. How the principles of design relate to costume design
- VI. Developing the Costume Design
 - A. Developing character concepts
 - B. Planning color
 - C. Budget and special considerations
- VII. Rendering the Costume Sketch
 - A. Sketching the character
 - 1. Basic bone structure of the body
 - 2. The balance of the body
 - 3. Figures in action and dance
 - 4. Figure poses through time and fashion
 - 5. Garments and textures
 - B. Creating the face
 - 1. Proportions of the head and face
 - 2. Directing eyesight
 - 3. Facial expression
 - C. Hand, feet, and accessories
 - D. Priliminary sketches
 - E. Rendering the costume plate
 - 1. Composition of the costume plate
 - 2. Basics of watercolor for the costume plate
 - 3. Pens and pencil techniques
 - 4. Painting and manipulating the costume plate using computer software

VIII. Choosing Fabrics

- A. Fabric considerations
- B. Sources and swatches
- C. Adapting fabrics
- IX. Getting the Show Together
 - A. Organizing the work Developing spreadsheets for the actor/scene breakdown, budgets, costume lists, and costume plots
 - B. Collaborating with the Costume Studio Staff
 - C. Assembling the costumes
 - D. Preparing for performance

Assignment:

- 1. Read 5-10 pages weekly from assigned homework
- 2. Complete 8 -10 homework assignments in sketching and painting
- 3. Complete 2 3 costume design assignments:
 - A. Read and analyze a different stage play or musical for each project
 - B. Analyze the costume requirements for each assigned play or musical (character outline)
 - C. Conduct research appropriate to the historical period and style of each play or musical and document it into a research notebook
 - D. Render preliminary sketches and working drawings for each assigned play or musical
 - E. Swatch fabric and plan trimmings for each costume rendering
 - F. Create a budget for costume designs projects
 - G. Develop spreadsheets for actor/scene breakdown, costume lists, plots and budgets
 - H. Complete 6 10 painted costume renderings
 - I. Oral presentation of assignments and assembled materials
- 4. Complete all costume designs necessary for an assigned play as a final project, including the following:
 - A. One 500-word vision statement (essay format)
 - B. Preliminary sketches, pattern diagrams, and/or working drawings (10 12)
 - C. Finished, painted costume plates with fabric swatches and descriptive notes (10 12)
 - D. Oral presentation of project and assembled materials

Methods of Evaluation/Basis of Grade:

Writing: Assessment tools that demonstrate writing skills and/or require students to select, organize and explain ideas in writing.

Character outline; vision statement

Problem Solving: Assessment tools, other than exams, that demonstrate competence in computational or non-computational problem solving skills.

Costume design assignments and final project: script analysis, research, budget, planning (including plots and diagrams)

Skill Demonstrations: All skill-based and physical demonstrations used for assessment purposes including skill performance exams.

Costume design assignments and final project: sket	ching,
rendering, painting, and fabric selection	-

Exams: All forms of formal testing, other than skill performance exams.

W	riting
5 -	- 10%

Problem solving	
25 - 40%	

None

Exams 0 - 0%

Other: Includes any assessment tools that do not logically fit into the above categories.

Class participation; oral presentations

Other Category 20 - 40%
