COURSE CONTENT

Student Learning Outcomes:

At the conclusion of this course, the student should be able to:

1. Explain and describe the National Association for Education of Young Children (NAEYC) Code of Ethical Conduct and the Ten Program Standards.
2. Describe steps to achieving family child care home licensure.
3. Identify the State guidelines for health, safety, and nutrition in family child care settings.

Objectives:

Upon completion of the course, students will be able to:

1. Define elements of program quality through the Ten Program Standards developed by NAEYC.
2. Discuss the core values of NAEYC's Code of Ethical Conduct.
3. Access NAEYC's online resources.
4. Explain the FCCERS-R (Family Child Care Environment Rating Scale--Revised) rating scale.
5. Identify state licensing requirements.
6. Locate resources to obtain a license in the State of California.
7. List key traits for passing inspection.
8. Develop strategies for designing a safe and supportive learning environment.
9. Discuss age-appropriate healthy nutritional choices for children ages 0-8.
10. Develop a weekly menu of healthy nutritional choices for two different early childhood age groups.

Topics and Scope:

- I. Professionalism and the NAEYC
 - A. Code of Ethical Conduct
 - B. The Ten Program Standards

II. Family Child Care Home Licensing

- A. Licensing requirements
- B. Licensing rules and regulations
- C. Inspection guidelines and standards
- D. Steps in preparing for inspection

III. Family Child Care Environment Rating Scale--Revised (FCCERS-R)

- A. Understanding FCCERS-R
- B. Using FCCERS-R as an evaluation tool

IV. Health and Safety

- A. Establishing health and safety policies
- B. Identifying signs of abuse and laws regarding reporting

Assignment:

1. Quiz on licensing requirements and ethical standards
2. Journal writing and reflection about how to become a child care provider (ungraded)
3. Poster depicting the NAEYC Ten Program Standards with pictures and captions
4. Role-playing in pairs and in groups (3 - 5)
5. Group presentation(s) on topics including: Health and Safety; Nutrition; Learning Environments (1 - 2)
6. Active attendance and participation
