COURSE CONTENT

Student Learning Outcomes:

At the conclusion of this course, the student should be able to:

1. Participate as a productive team member of a college news media staff with increased responsibility from Jour 52B, likely serving as section editor or editor-in-chief, and demonstrate leadership abilities to help guide newer staff members in their skills development.
2. Write typical genre stories in three or more of the following sections: news, feature, opinion sports or arts and entertainment; edit stories for publication in print and online.
3. Create story packages for print or online that may include the main article, sidebars, photos, charts and/or illustrations.
4. Create two types of multimedia, social media or mobile journalism news or feature stories.

Objectives:

Upon completion of the course, students will be able to:

1. Participate in or run story budget meetings and discuss libel and ethical issues as they apply to news media production.
2. Articulate elements of magazine design, headline and cutline writing, photo selection and page layout.
3. Demonstrate ability to help with and/or delegate tasks associated with magazine and website production, such as copyediting, headline and cutline writing, photo editing, design, layout and magazine distribution.
4. Develop story ideas, conduct research and interviews, and write articles for three or more of the following sections: news, feature, opinion, sports or arts and entertainment.
5. Create two types of multimedia, social media or mobile journalism news or feature stories, using blend of audio, photos, video or text.

6. Edit stories for content, Associated Press (AP) Style, grammar and punctuation.
7. Demonstrate ability to upload stories and photos to website.
8. Demonstrate ability to design pages or make corrections using page design software.
9. Select articles, photographs and artwork for publication.
10. Demonstrate ability to teach and guide newer staff members in reporting, writing, editing, layout and multimedia creation.

Topics and Scope:

- I. Oak Leaf Manual
 - A. Rules of The Oak Leaf
 - B. Goals and standards
- II. Production Process
