COURSE CONTENT

Student Learning Outcomes:

At the conclusion of this course, the student should be able to:

1. Participate as a productive team member of a college news media staff.
2. Explain the news production process from story idea to completed product, and critique articles after publication.
3. Write typical genre stories in at least one of the following sections: news, feature, opinion, sports or arts and entertainment; and edit stories for publication in print and online.
4. Create one type of multimedia, social media or mobile journalism news or feature story.

Objectives:

At the conclusion of this course, the student should be able to:

1. Participate in story budget meetings and discuss libel and ethical issues as they apply to news production.
2. Articulate elements of magazine design, headline and cutline writing, photo selection and page layout.
3. Demonstrate ability to help with tasks associated with production, such as copyediting, headline and cutline writing, photo editing, design, layout, website uploading and magazine distribution.
4. Develop story ideas, conduct research and interviews and write articles for one of the following sections: news, feature, opinion, sports or arts and entertainment.
5. Create a multimedia, social media or mobile journalism news or feature story, using blend of audio, photos, video and text.
6. Edit stories for content, Associated Press (AP) Style, grammar and punctuation.
