## **COURSE CONTENT**

### **Student Learning Outcomes:**

At the conclusion of this course, the student should be able to:

1. Identify appropriate work experience opportunities and activities as related to students' individual career goals and functional limitations related to disability.
2. Attend campus and/or community activities appropriate to students' personal, academic and/or career goals and interests.

### **Objectives:**

At the conclusion of this course, the student should be able to:

1. Describe the process and requirements for accessing student employment.
2. Compare and contrast paid employment versus paid internships.
3. Identify the benefits of participating in volunteer work and utilizing resources in the community that assist individuals in finding volunteer opportunities.
4. Describe how participation in campus and community activities furthers the achievement of academic and career goals.
5. Discuss how to accommodate for limitations related to disability when seeking and participating in work experience opportunities and activities.

### **Topics and Scope:**

- I. Paid Employment
  - A. Student employment on campus
  - B. Employment in the community
  - C. Paid internships
- II. Volunteer Work
  - A. Unpaid internships
  - B. Community resources for volunteer opportunities
