## **COURSE CONTENT**

**Student Learning Outcomes:**

At the conclusion of this course, the student should be able to:

1. Demonstrate basic knowledge about the prehistory and history of California Native American cultural patterns.
2. Use anthropological terms to identify appropriate terms, symbols, concepts, and beliefs found in California Native American cultures.
3. Evaluate California Native American responses to the historic influences of the Spanish, Russians, and other Euro-Americans.

**Objectives:**

At the conclusion of this course, the student should be able to:

1. Define the culture area concept in anthropology.
2. Apply, analyze, and synthesize knowledge of cultural patterns in the context of contemporary challenges on reservations/rancherias and communities in California.
3. Analyze cultural differences and similarities among the various culture zones, including the northwestern riverine zones, the North Coast Ranges, the Central Valley, the Santa Barbara Channel region, and the southern deserts.

## **Topics and Scope:**

- I. Archaeological data and Native oral history as evidence for the origins of California Native American populations
- II. Ethnographic Research
  - A. "Salvage" ethnography
  - B. Cross-cultural comparison
  - C. Participant observation
  - D. Historical anthropology
- III. Language groups and linguistic diversity in California Native American cultures
- IV. Religious systems and world view in diverse California Native American cultures, such as:
  - A. Antap
  - B. Chinigchinich
  - C. World Renewal
  - D. Kuksu
  - E. California Ghost Dance
- V. Major theories relevant to understanding issues of ethnographic methodology in California Native American cultures
  - A. Ethnicity
  - B. Race
  - C. Gender roles
- VI. Specific focus and case studies on one or more of the following California Native American cultures:
  - A. Yurok
  - B. Hupa
  - C. Karuk
  - D. Ohlone
  - E. Miwok
  - F. Chumash
  - G. Cahuilla
  - H. Serrano
  - I. Mohave
- VII. Issues of culture change in the areas of religion, socio-economic class, and labor in the context of culture contact
  - A. The Spanish Missions
  - B. Russian fur traders
  - C. The Gold Rush and Euro-American ranchers
- VIII. Principles of successful environmental management in various culture areas
- IX. Current issues, challenges, and trends in California Native cultures
  - A. Federal recognition
  - B. Impacts on California Native American communities due to climate change
  - C. California Native gaming

## **Assignment:**

1. Weekly reading in texts or supplementary readings (at least 20 pages).
2. Learning assessments (2-10), which may include:
  - A. Quizzes
  - B. Short essays
  - C. Group projects
3. Write 1500 – 2000 words in the form of:

- A. Artifact analyses
  - B. Reaction papers
  - C. Term papers
  - D. Book reviews
  - E. Museum responses.
4. Exams including a final (2-4).
5. Independent study required of all students in the form of museum assignments completed in the Santa Rosa Junior College Multicultural Museum or similar district venues. A minimum of 2 hours of museum study is required over the course of the semester.

**Methods of Evaluation/Basis of Grade:**

**Writing:** Assessment tools that demonstrate writing skills and/or require students to select, organize and explain ideas in writing.

Analyses, reaction papers, term papers, book reviews, or museum responses	Writing 5 - 20%
---	--------------------

**Problem Solving:** Assessment tools, other than exams, that demonstrate competence in computational or non-computational problem solving skills.

None	Problem solving 0 - 0%
------	---------------------------

**Skill Demonstrations:** All skill-based and physical demonstrations used for assessment purposes including skill performance exams.

None	Skill Demonstrations 0 - 0%
------	--------------------------------

**Exams:** All forms of formal testing, other than skill performance exams.

Exams, final	Exams 65 - 70%
--------------	-------------------

**Other:** Includes any assessment tools that do not logically fit into the above categories.

Projects, Presentations	Other Category 10 - 25%
-------------------------	----------------------------

**Representative Textbooks and Materials:**

- California Indians and Their Environment: An Introduction. Lightfoot, Kent G. and Parrish, Otis. University of California. 2009 (Classic)
