COURSE CONTENT

Student Learning Outcomes:

At the conclusion of this course, the student should be able to:

1. Define the concept of globalization and explain its role as a central force in the process of cultural change in the world today.
2. Identify the challenges faced by anthropologists studying a globalized world and explain contemporary anthropological approaches to globalization.
3. Analyze the experiences of globalization of people from varying cultural traditions and explain how they relate to social problems.

Objectives:

At the conclusion of this course, the student should be able to:

1. Describe how historical forces (such as the formation of trade routes, European colonization,

and technological innovations) lead to the processes of globalization.

2. Compare and contrast global changes in cultural traditions such as religion, politics, social organization, economics, gender roles, and ideas of illness and healing.
3. Apply and evaluate popular anthropological approaches and methodologies to globalization.
4. Describe and evaluate the processes of globalization.
5. Evaluate the accuracy and applicability of globalization frameworks upon current and future social problems.

Topics and Scope:

I. Introduction to Anthropology as a Holistic Discipline and to the Guiding Principles of Ethnographic Inquiry

- A. Participant-observation
- B. Cultural relativism

II. Introduction to Globalization and its Influences on Human Culture

III. The Description of the Historical Processes from the Ancient World to the Present Relevant to Understanding Globalization

- A. Ancient trade routes
- B. European colonization

IV. Past and Current Theories Relating to Globalization

- A. Political economy
- B. World-system theory
- C. Global assemblages
- D. The global and the local

V. Westernization and Global Culture

- A. Cultural influences of westernization
- B. Impacts of globalization on "the West"

VI. Technology and Globalization

- A. Impacts of transportation technologies
- B. Impacts of communication technologies
- C. Impacts of medical technologies

VII. Impacts of Globalization on Cultural Traditions

- A. Social organization
- B. Political organization
- C. Gender roles
- D. Religion
- E. Economics

VIII. Global Governance

- A. Multilateral financial institutions
- B. Non-governmental organizations
- C. Global citizenship

IX. Impacts of Globalization on People of Particular World Regions and Cultural Traditions (may include one or more case studies).

NOTE: The specific preference for examples from a particular world region (such as lowland South American, Andean South American, or Oceania) will be set by the expertise of the instructor. However, all examples will be linked to a global perspective in the overview of the course.

Assignment:

1. Reading in texts or supplementary readings. All textbooks will be read as homework (20

pages minimum per week).

2. Learning assessments (2-10), such as:
 - A. Quizzes.
 - B. Short essays.
 - C. Group projects.
3. Writing assignments (2500 words minimum), such as:
 - A. Reading response papers.
 - B. Term papers.
 - C. Field project reports analyzing the influence of globalization processes.
4. Exams (2-4) including a final exam
5. Optional assignments, such as:
 - A. Map quizzes
 - B. Other types of homework
 - C. Attendance and participation.

Methods of Evaluation/Basis of Grade:

Writing: Assessment tools that demonstrate writing skills and/or require students to select, organize and explain ideas in writing.

Learning assessments; writing assignments

Writing
20 - 40%

Problem Solving: Assessment tools, other than exams, that demonstrate competence in computational or non-computational problem solving skills.

None

Problem solving
0 - 0%

Skill Demonstrations: All skill-based and physical demonstrations used for assessment purposes including skill performance exams.

None

Skill Demonstrations
0 - 0%

Exams: All forms of formal testing, other than skill performance exams.

Exams

Exams
40 - 60%

Other: Includes any assessment tools that do not logically fit into the above categories.

Learning assessments; optional assignments

Other Category
10 - 20%
