

Dr. J. Davis Mannino  
Professor Psychology and Psychologist  
Santa Rosa Junior College

**Spring, 2017**

For each of my pure online classes, there is no hard copy “syllabus” available.

However you are free to review each of my websites. The following links take you to the “Front Page ” of my current pure online classes. Most of what is found in a hard copy syllabus, you will find on the “front page” and/or at the link entitled “syllabus” listed in the navigational toolbar on the left of the webpage.

Thank you for your interest in my classes.
