Textbook: *Elementary Statistics, A Step by Step Approach*, 8th Edition, by Allan Bluman.

Calculator: TI – 83, 83+, 84, 84+ is required.

Graphing Calculators are available to check out at the Mahoney Library.

Grading:	Quizzes (4 @ 1% each)	4%	
	Project	4%	A ≥ 90
	Homework	12%	80 ≤ B < 90
	Exams (4 @ 15% each)	60%	70 ≤ C < 80
	<u>Comprehensive Final Exam</u>	<u>20%</u>	60 ≤ D < 70
		100%	F < 60

Homework: Homework must be done neatly. I will grade the homework on completeness of assignment AND for correctness on selected problems. I will not grade homework that is illegible or difficult to follow. Late homework that is turned in at the next class meeting will receive half credit. No credit for homework turned in after that.

SRJC attendance policy is as follows: *Students are expected to attend all sessions of the course in which they are enrolled. Any student with excessive absences may be dropped from the class.*

Attendance and Make-up Policy: Attendance is critical in this course. There are NO MAKE-UP EXAMS or QUIZZES.

If you are absent, **you are completely responsible** for the material you missed. Contact a classmate for any assignments, announcements or notes.

Excessive tardiness is also detrimental to a student's development and will not be accommodated. If you are more than 10 minutes late to class, it counts as ½ of an absence.

Throughout the semester, if you have 5 absences or less, you will receive the following rewards:

- I will drop your lowest quiz score.
- I will drop your lowest exam score and replace it with the Final Exam score if such an action will help your grade.

My Classroom Policy is to insure the best environment for learning and is a courtesy to me and your fellow students.

- ◆ Arrive on time.
- ◆ Stay for the entire class period.
- ◆ Have pencils sharpened before class begins.
- ◆ Turn off ALL electronic devices except your calculators.
- ◆ Keep your cellphone turned off and inside your bag/backpack until class is over.

Important Academic Calendar Dates:
