
CS 62.11A – Microsoft PowerPoint, Part 1

Spring 2020 – Course Syllabus

Welcome

You will find this eight-week online course to be fun as well as packed full of information. Since this is a quick course, the organization of the course has been made as simple as possible. Each week, you should follow the directions on the weekly assignment page, which generally follow this pattern:

1. Read the textbook lesson for the week
2. Read the instructor's notes
3. View instructor videos (optional)
4. Submit assignment(s) for the week
5. Take the online quiz
6. Post your comments in the Discussion Forum, when required

Course Description

This course emphasizes the creation of slide presentations by adding visual elements, applying textual formatting, and working with graphics and slide customization.

[CS 62.11A - Course Outline of Record](#)

Duration: March 23 - May 17 (8 weeks)

Units: 1.5

Grade Code: Graded course with P/NP option

Prerequisite: None

Recommended Preparation: Eligibility for ENGL 100 or ESL 100

Course Content and Objectives

Students will be able to:

1. Creating a presentation
2. Add textual information
3. Add visual elements
4. Modify and format slides and presentations
5. Add graphic elements

Student Learning Outcomes

- Compose a PowerPoint presentation with textual information and visual elements.
- Manipulate existing PowerPoint presentations using editing tools.
- Create an effective presentation based upon industry standards.

Class Meetings

This is a 100% online class and there are no required in person meetings.

Instructor Contact

Pamela Darling-Facio

Email: pdarling-facio@santarosa.edu or Canvas InBox (preferred)

Phone: 707-527-4999, ext. 9600

Office Hours: Wednesdays 5:00 – 7:00 pm and Fridays 9:00 – 10:00 am

I respond to emails with 24 hours.

Course Website

Students will use the Canvas course web site for assignment instructions, submitting assignments, taking quizzes, sharing resources, and viewing grades.

Textbook

There is a text that is required for this course and it would not be possible to complete the course without the text.

Microsoft Office 365 & PowerPoint 2016

ISBN: 9781305870819

Publisher: Cengage

Textbook Purchases at SRJC Bookstore

You can locate and order textbooks online via the [SRJC Bookstore](#). Note that if you want to pick your books up in Petaluma, you need to order them from the Petaluma Bookstore website.

Online Purchases

You can also order an eBook online from the publisher. This is a less expensive option but it is an eBook and you will not receive a printed copy. The book is also available for one semester, or six months.

You can also rent a text from SRJC or from the publisher

Reserve at the Library

The PowerPoint textbook for this course is on reserve in the Santa Rosa Library with a two-hour time limit. The book may be checked-out within the library only. To check out a reserved book, bring a student ID.

- Call number for the PowerPoint 2016 text in Santa Rosa: P93.53.M534 S432 2017

Required Software

To be successful in the class, you will need to have access to Microsoft PowerPoint. You can use PowerPoint 2013, 2016, or 2019 version for this course. Microsoft Startup is not the same program and will not work in this class.

You may use the Mac version of PowerPoint to complete this class but you will encounter some differences and many tasks may be challenging. There are a few tasks you will not be able to complete with the Mac and we recommend that you use the Windows version of PowerPoint.

If you decide to continue with the Mac version you may become frustrated with the tasks that you can't complete. These tasks are part of the core outcomes and you will be required to complete them on a Windows PC or to take a deduction on your work for missing tasks.

As a student at SRJC you can download a full version of Office 365 free of charge. You will need an santarosa.edu email address, which you can obtain from SRJC. In order to download MS Office visit the following site: [O365 for Students](#)

Students will also need Adobe Reader. You can download a free version of Adobe Reader from [Adobe Reader website](#).

Computer Labs

PowerPoint is available on both the Santa Rosa and Petaluma Campuses. In Santa Rosa you can use the Maggini Hall Computer Lab in room 2811. In Petaluma you will use the computer lab in Call Hall. Microsoft Office 2016 is installed on the computers.

Important Dates

- March 23 - Class begins
- March 28 - Last day to drop with a refund
- April 3 - Last day to drop without a W
- April 8 - Last day to opt for Pass/No Pass
- May 3 - Last day to drop with a W
- May17 - Last day of class

Dropping the Class

If you decide to discontinue this course, it is your responsibility to officially drop it. A student may be dropped from any class when that student's absences exceed ten percent (10%) of the total hours of class time. It is strongly advised that if you need to miss more than one class/homework deadline in a row that you contact the instructor to avoid being dropped from the class.

Pass-No Pass (P/NP)

You may take this class P/NP. You must decide before the deadline, and add the option online with TLC or file the P/NP form with Admissions and Records. With a grade of C or better, you will get P.

Once you decide to go for P/NP, you cannot change back to a letter grade. If you are taking this course as part of a certificate program, you can probably still take the class P/NP. Check with a counselor to be sure.

Instructor Announcements and Q&A Forum

The instructor will post announcements on the "Instructor Announcements" page in Canvas throughout the semester. Canvas notifies students according to their preferred Notification Preferences as soon as the instructor creates an Announcement. A "Q&A Forum" is also on Canvas to ask for assistance of your classmates or of instructor.

Attendance

Although this is an online course, your "attendance" in class is mandatory. The factors that make up "attendance" include submitting your assignments on time, participating in online class discussions, and completing quizzes by the due dates stated on the Class Schedule.

- It is the student's responsibility to opt for a P/NP (Pass/No Pass) grade.
- It is the student's responsibility to drop this course by the drop date(s) listed in this Syllabus.
- Students who have not submitted assignments or contacted me by April 3 will be dropped by the instructor as No Shows.

Late Policy

All assignments are due by midnight on the due date shown in the Modules link. You can submit an assignment before the due date, but, if you submit an assignment after the due date, a 10% penalty will be deducted from the points possible for each day the assignment is late. Assignments will not be accepted more than one week after the deadline for ANY reason.

Quizzes and Exams

There will be weekly quizzes based on information in the text, lecture notes, and assignments. There is no final exam in this course. Students will complete a final assessment project using Access.

You must take the quizzes by the deadlines; quizzes cannot be submitted late. The computer turns off the tests at midnight of the due date; however, if you are in the middle of the test at midnight, the computer will allow you to submit the quiz. No makeup of quizzes is allowed. If a quiz is not taken, "0" points will be assigned.

You may take the quiz more than once but your first submission will be the graded submission so please do not hit Enter until you have completed the quiz. If you click the quiz link and open the quiz you must take it! You cannot open the quiz, close it and then reopen it without incurring a penalty.

Unless you have a notice of accommodation from Disability Resources, you will have 20 minutes to complete the quiz. There is no timer in the quiz so you will need to watch your time. Be sure you have

time to complete it before you click the link below. Again, once you click on the quiz link you must complete the quiz.

Most questions must be manually graded so don't panic when you don't see points for a question that is correct. I can insert a few correct choices but rest-assured, I will look at each question before submitting the final grade for the week. You will know when I have entered the final grade because I will leave a comment in the quiz for you.

There will be videos and online resources included each week. The videos are not required, but are very informative.

Grading Policy

Visit the “Grades” in Canvas to keep track of your grades. I grade several times each week and post grades and comments on the online Canvas gradebook.

Grades will be assigned as follows:

A	90% - 100%
B	80% - 89%
C	70% - 79%
D	60% - 69%
F	Below 59 %

If taking Pass/No Pass you need at least 70% of the total class points and complete the midterm exam and the final exam to pass the class.

All students are expected to do their own work and save documents to their individual disk. Students copying or claiming the work of others as their own will be given an F (zero points) for the assignments.

Standards of Conduct

Students who register in SRJC classes are required to abide by the SRJC Student Conduct Standards. Violation of the Standards is basis for referral to the Vice President of Student Services or dismissal from class or from the College. See the [Student Code of Conduct page](#).

Collaborating on or copying of tests or homework in whole or in part will be considered an act of academic dishonesty and result in a grade of 0 for that test or assignment. I encourage students to share information and ideas, but not their work. See these links on Plagiarism:

[SRJC Writing Center Lessons on avoiding plagiarism](#)

[SRJC's policy on Academic Integrity](#)

Special Needs

Students with disabilities who believe they need accommodations in this class are encouraged to contact Disability Resources (527-4278), as soon as possible to better ensure such accommodations are implemented in a timely fashion.

How to Succeed in this Online Course

- Turn on notifications in Canvas. You can set notifications for daily, weekly, or a summary. You can be notified via text or email. When your notifications are on you will receive reminders and announcements from me about upcoming assignments. You can change your notifications using the **Account** button in the Global Navigation in Canvas.
- Be sure to note deadlines for online assignments, discussion posts, quizzes, and projects.
- Check **Grades** for points earned every week to make certain your points are recorded accurately. If you note a discrepancy, please send me a private message using the Canvas **Inbox** as soon as possible.
- There will be videos and online resources included each module. The videos are not required but are very informative.
- Above all, do **NOT** allow yourself to get behind in completing the assignments. If you get behind in the assignments, you will miss the deadlines for the assignments or quizzes. It is imperative that you do not miss the deadline or skip an assignment or quiz.
