

FLORS 105 Wear and Carry Online Class

Syllabus

Fall 2020

Wear and Carry

Flors 105

Section 0200

Instructor: Cheryl Dianna Vigil cvigil@santarosa.edu

As this is an on-line class I am available on line Wednesdays 4-7:30 pm, I will check my emails every day, so you can email me anytime and expect an answer back within 1-2 days. Each week we will have a **Zoom demonstration from 6:30-7:30 pm on Wednesdays. That is the only time I am requiring you to be present on line. Live demo and class interaction will be at that time.**

The class will be posted in Canvas. You will find all of the information, assignments, quizzes, lectures, notes, etc. In your Canvas account.

Once the class has been posted you can access it any time to complete it during the semester.

All projects, lectures, videos and labs are online through our Canvas portal. We will have a one hour Zoom meeting each week. 6:30-7-30 pm. Wednesdays Aug. 19-October 7th

August 19- October 7th

Course Description: Flors 105 Flowers to Wear and Carry

1 unit; P/NP option; Prerequisite: Completion of Flors 83A

The primary purpose of this class is for the student to become more proficient in the proper construction of corsages, wristlets, boutonnieres, wearable flowers and hand held designs. We will discuss and practice the use of different types of mechanics including gluing, wiring and taping. Other topics will be scale, balance and proportion. We will use a variety of fresh and permanent materials. We will learn specific care and handling of these materials.

Student Learning Outcomes

After completing this course students will be able to:

1. Construct body flower arrangements utilizing appropriate techniques and materials.
2. Explain methods of preparing materials used for body flower arrangements
3. Describe the different types of body flowers and their appropriate use as related to the customer's needs.

Objectives

Upon completion of this course, students will be able to:

1. Describe the different types of body flowers and their history.
2. Construct a variety of body flower arrangements utilizing appropriate techniques and materials.

3. Explain methods of conditioning and pre-care of materials used for body flower arrangements
4. Properly package completed body flower arrangements.
- 5.

There is no required text. We will be using video, slides, and lecture and web materials for this class

Required Materials:

Knife clippers scissors
Needle nose pliers

These supplies can be purchased at Michaels or Sequoia Wholesale Floral

Supplies that are furnished for this class can be picked up at:

Sequoia Floral International

3245 Santa Rosa Ave.

Santa Rosa, CA 95407 phone 707-525-0780

The supplies will be broken into two pick-ups from Sequoia

August 26 from 9-noon

September 16 from 9am till noon

We will be working with fresh and permanent botanicals, you can use materials from your yard, garden ... to add to and complete your projects.

Class Polices
