Class Meetings

Our class will meet in person on Mondays & Wednesdays 3:30-6PM. Our class could possibly change to an online modality in the event that the pandemic or some other serious event impacts our community.

Quizzes

Ten quizzes will be given throughout the semester. Two will be individual quizzes, taken in class. Eight will be group quizzes, for which you will be required to write out solutions for problems, take pictures of your solutions, and upload your work to Canvas. One submission for each group will be graded and everyone in that group will receive the same score – make sure to go over your solutions with your group members before turning in your quizzes! Group quizzes will be due on select Wednesdays by 11:59PM.

Your 2 lowest group quiz scores will be dropped. Your individual quiz scores will not be dropped.

Absences for Quizzes and Exams

Exams and individual quizzes will be proctored and taken in person. Unless the state of our community and world change for some unexpected reason, there will be no online individual quizzes or exams throughout the semester.

If you miss an exam or quiz, you must contact me within 24 hours and you must provide documentation explaining your absence.

If the absence is excused, your final exam score will replace your missed midterm score.

In the event an individual quiz is missed and the absence is excused, you will be given a make-up quiz.

Homework Grading/Late Homework

Select homework sections will be due once a week (generally _____ nights by 11:59PM). You have 5 *attempts* at answering a homework question. If the first 2 attempts are incorrect, SEEK HELP. If homework is not completed by the due date and time, you have 24 hours to complete the remaining problems for half-credit.

Attendance

Daily attendance is essential to your success in this course. You may be dropped from the course if you have more than 4 absences. Arriving late or leaving class early may count as an absence.
