Total Student Learning Hours: 157.50

Title 5 Category: AA Degree Applicable
Grading: Grade Only
Repeatability: 00 - Two Repeats if Grade was D, F, NC, or NP
Also Listed As:
Formerly: DET 88

Catalog Description:
In depth study of heavy duty drivetrain. Course covers theory, operation, diagnosis, service and overhaul of clutches, manual transmissions and rear axle assemblies.

Prerequisites/Corequisites:

Recommended Preparation:
Eligibility for ENGL 100 or ESL 100 and Course Completion or Concurrent Enrollment in DET 179

Limits on Enrollment:

Schedule of Classes Information:
Description: In depth study of heavy duty drivetrain. Course covers theory, operation, diagnosis, service and overhaul of clutches, manual transmissions and rear axle assemblies. (Grade Only)
Prerequisites/Corequisites:
Recommended: Eligibility for ENGL 100 or ESL 100 and Course Completion or Concurrent Enrollment in DET 179
Limits on Enrollment:

Transfer Credit:

Repeatability: Two Repeats if Grade was D, F, NC, or NP

COURSE CONTENT

Student Learning Outcomes:

At the conclusion of this course, the student should be able to:

1. Inspect, diagnose and repair heavy duty drivetrain components
2. Interpret and understand repair manuals for repair of drive train components

Objectives:

At the conclusion of this course, the student should be able to:

1. Explain the operation of, evaluate and perform repairs on the following components:
 - a. clutches
 - b. manual transmissions
 - c. automatic transmissions
 - d. drivelines
 - e. differentials and final drives
 - f. electronic transmission controls.
2. Use technical references properly, including repair and parts manuals.
3. Discuss and apply personal, shop, and environmental safety procedures.

Topics and Scope:

- I. Power Transmission
 - A. Power transmission theory
 - B. System operation
 - C. System components
- II. Clutches
 - A. Single disc clutches
 - B. Twin disc clutches
 - C. Clutch controls
 - D. Torque converters
- III. Manual Transmissions
 - A. Gear identification

- B. Gear ratios
- C. Single countershaft transmissions
- D. Twin countershaft transmissions
- IV. Automatic Transmissions
 - A. Torque converters
 - B. Operation principles
 - C. Shift control
- V. Driveshaft Assemblies
 - A. Universal joints
 - B. Drive shafts
 - C. Drive line angles
- VI. Differentials and Final Drives
 - A. Single speed differentials
 - B. Multi-speed differentials
 - C. Differential locking devices
 - D. Simple and planetary final drives
- VII. Electronically Controlled Transmissions
- VIII. Power Train Service, Diagnosis, and Repair
 - A. Repair and parts manuals
 - B. Technical service bulletins
- IX. Safety
 - A. Personal
 - B. Shop
 - C. Environmental

All topics are covered in both the lecture and lab parts of the course.

Assignment:

Lecture-Related Assignments:

1. Read 25 to 50 pages a week
2. Ten to fifteen exams including final

Lab-Related Assignments:

1. Inspect and adjust clutch assemblies
2. Disassemble, inspect and reassemble a transmission
3. Disassemble, inspect and adjust a final drive assembly
4. Complete NATEF (National Automotive Technicians Education Foundation) recommended task sheets
5. Daily work logs (work assigned, work completed)

Methods of Evaluation/Basis of Grade:

Writing: Assessment tools that demonstrate writing skills and/or require students to select, organize and explain ideas in writing.

Daily Work Logs

Writing 0 - 25%

Problem Solving: Assessment tools, other than exams, that demonstrate competence in computational or non-computational problem solving skills.

Task sheets of transmission disassembly, inspection, and assembly

Problem solving
10 - 25%

Skill Demonstrations: All skill-based and physical demonstrations used for assessment purposes including skill performance exams.

Clutch inspection, Final drive adjustments

Skill Demonstrations
10 - 25%

Exams: All forms of formal testing, other than skill performance exams.

Exams including final

Exams
30 - 50%

Other: Includes any assessment tools that do not logically fit into the above categories.

None

Other Category
0 - 0%
