COURSE CONTENT

Student Learning Outcomes:

At the conclusion of this course, the student should be able to:

1. Identify the key skills needed in a team that effectively creates and runs wine social media campaigns.
2. Understand and use all important social media platforms effectively for wine, wine event, and wine brand promotion
3. Develop a basic wine brand strategy
4. Identify target audiences for wine brand promotion using social media
5. Develop metrics for measuring effectiveness of wine social media campaigns
6. Integrate social media campaigns into existing wine marketing strategies

Objectives:

At the conclusion of this course, the student should be able to:

1. Develop social media campaigns for promoting wine
2. Develop engaging social media content that stands out from wine competitors
3. Use techniques for promotion of wine events on social media
4. Effectively operate winery outreach campaigns in all significant social media platforms
5. Develop a wine branding strategy and social media campaigns to build brand identity
6. Identify and reach target audiences for wine social media campaigns
7. Develop metrics to measure effectiveness of wine social media campaigns
8. Understand how to integrate wine social media campaigns with overall wine marketing strategies
9. Explain the advantages to wine owners of all major social media platforms

Topics and Scope:

1. Roles of writer, editor, wine expert, and social media software expert in the creation and running of an effective wine social media campaign.
2. How to set up social media campaigns in all major platforms
3. Guiding principles for social media marketing
4. When and how to use freelance and agency help
5. Behavioral and psychological factors that drive social media
6. How to set up a wine social media strategy including an annual strategy session
7. Case studies of three different strategies
8. How to set up effective websites and blogs that compliment social media
9. How to create content for wine social media campaigns
10. How to effectively use multimedia
11. How to plan and execute “tentpole” campaigns around wine events
12. Effective wine content curation
13. How to find and use all the necessary statistics and metrics
14. How to use paid advertising in social media
15. How to effectively promote wine events
16. Integrating social media with other wine marketing approaches
17. Connecting with influential people who share your content
18. Use of podcasting, videocasting, and webcasting
19. Knowledge of other effective marketing strategies as appropriate, such as microblogging, RSS feeds, creation of widgets and badges, use of bookmarking, keywords, communities, and search engine optimization tools
20. What makes a brand stand out from wine competition
21. Steps for use of social media to build wine brand identity
22. Understanding paid media
23. Tools for identification of target audiences and social media marketing opportunities
24. How to effectively reach different target audiences with wine content
25. Creation of metrics to track and measure the effectiveness and return on investment of social media

Assignment:

1. Research and create a 3-5 page written wine brand strategy
2. Develop and present a wine social media campaign storyboard
3. 4-6 written practice exercises (research, design social media content and campaigns, design metrics)
4. Read 2-10 pages per week
5. Final written exam (2-5 pages) to include setting up a new brand including choosing an overall strategy, choosing social media platforms, setting social media goals, creating example posts, explaining necessary metrics, explaining why the campaign will be successful, and calculating a return on investment
