Catalog Description:
Students will be introduced to the history of the Middle East focusing on the regional and international influences that have shaped the area over the last two centuries. The course begins with an overview of the pre-modern period before turning to political, social, cultural, and economic issues of the modern era. Topics include the Arab-Israeli conflict, the power of oil, the preoccupation with authoritarian rule, challenges to social and economic development, the rise of Islamic political movements, and the role of outside powers in shaping the region.

Prerequisites/Corequisites:

Recommended Preparation:
Eligibility for ENGL 1A or equivalent

COURSE CONTENT

Student Learning Outcomes:

At the conclusion of this course, the student should be able to:

1. Analyze the political, economic, cultural, and social developments in Middle Eastern history over the last two centuries.
2. Compare and contrast the interaction of regional and international entities.
3. Evaluate the causes and effects of particular historical events.

Objectives:

At the conclusion of this course, the student should be able to:

1. Locate on maps the geographical centers of historical development in the Middle East since 1800.
2. Identify the unique contributions of major civilizations in the region and assess their continuing influence today.
3. Analyze the interrelationships of the Middle East with the larger world and evaluate the impact of Western imperialism on the region.
4. Apply historical knowledge and reasoning through analysis of important and controversial problems from the past.
5. Compare and contrast the evolution of differing opinions on critical historical developments and disciplined historical thinking.

6. Using primary and secondary sources, demonstrate critical, independent thinking through analysis of historical events and trends.
7. Compare and contrast the interaction of regional ethnic groups, nation-states, political affiliations, socioeconomic status, and international organizations.
8. Develop an understanding and appreciation of the contributions and perspectives of women, ethnic groups, and other minorities.
