Course Description: A review of the prerequisite skills and competencies for MATH 25, MATH 27, MATH 9 and MATH 16. Intended for students concurrently enrolled in one of these four courses who need a review of the necessary algebra skills. Topics include effective learning strategies and a review of concepts from intermediate algebra.

Student Learning Outcomes: Here is the [link](#) for Math 200 course outline at SRJC.

At the conclusion of this course, the student should be able to:

1. Apply intermediate algebra topics of simplifying expressions and analyzing functions.
2. Apply intermediate algebra topics of solving equations, inequalities, and systems of equations.

Required Course Materials

Knewton Alta Online Homework: Homework will be completed and submitted online.

To access the online homework, you must purchase an access code. Knewton Alta online homework allows students 2 weeks of free access before asking them to purchase the access code.

You can access the Knewton Alta assignments through our Canvas course page.

Grading	In Class Worksheets	15%	
	Homework	25%	PASS \geq 70
	Exams (2 @ 20% each)	40%	NO PASS $<$ 70
	<u>Final Exam</u>	<u>20%</u>	
		100%	

Worksheets: There will be a worksheet each week in class. Note that these worksheets will be long since we will be covering multiple sections per week. Worksheets will be worked in class in small groups. These worksheets are a part of your grade. One worksheet set will be dropped at the end of the semester (in case you have an emergency).

Exams: There will be 2 midterms and a final exam. No calculators or other electronic devices will be allowed. If you are unable to take an exam on the scheduled day, contact me as soon as possible (before or the same day as the exam).

You will be allowed exam corrections that will be due 1 week after you get the exam back. Exam corrections are to be worked outside of class.

Canvas

Throughout the course, I will post notes, handouts, homework assignments, grades, and other resources on

Homework Grading/Late Homework
