

# BBK 53.1 – QuickBooks Level 1

## Section 5303 – Course Syllabus

### Welcome

---

You will find this nine-week online course to be fun as well as packed full of information.

Since this is a short course, the organization of the course has been made as simple as possible. Each week, you should follow the directions on the weekly assignment page, which generally follow this pattern:

1. Read the textbook lesson for the week
2. Read the instructor's notes
3. View videos (optional)
4. Submit assignment(s) for the week
5. Take the online quiz
6. Post your comments in the Discussion Forum, when required

### Course Description

---

Training in the use of QuickBooks software for personal and business applications. Topics include information gathering, setting up accounts, payroll setup, working with lists, recording sales and purchases, inventory, tracking sales tax, banking procedures and financial reports.

### Textbook Purchases at SRJC Bookstore

You can locate and order textbooks online via the [SRJC Bookstore](#). Note that if you want to pick your books up in Petaluma, you need to order them from the Petaluma Bookstore website.

## Online Purchases

You can also order online from the publisher but be sure you allow adequate time for delivery!

1. Visit the publisher's website at: [Labyrinth Learning Web Site](#)
2. Type the ISBN for either the print or eBook edition in the search box and click Search.
3. Follow the instructions to add the item to your cart and complete the checkout process.

## Required Software

---

This course uses QuickBooks Online, from Intuit. You will receive information about setting up your QuickBooks Online account after class begins. Please do not set up an account before class begins. I will send you an email with a link to join our class site and access the file you need to begin creating your company file.

## Computer Labs

---

QuickBooks Online is available on both the Santa Rosa and Petaluma Campuses. In Santa Rosa you can use the Maggini Hall Computer Lab in room 2811. In Petaluma you will use the computer lab in Call Hall.

## Important Dates

---

- January 13 - Class begins
- January 18 - Last day to drop with a refund
- January 25 - Last day to drop without a W
- March 1 - Last day to drop with a W
- March 16 - Last day to opt for Pass/No Pass
- March 16 - Last day of class

## Dropping the Class

---

If you decide to discontinue this course, it is your responsibility to officially drop it. A student may be dropped from any class when that student's absences exceed ten percent (10%) of the total hours of class time. It is strongly advised that if you need to miss more than one class/homework deadline in a row that you contact the instructor to avoid being dropped from the class.

## Pass-No Pass (P/NP)

---

You may take this class P/NP. You must decide before the deadline and add the option online or file the P/NP form with Admissions and Records. With a grade of C or better, you will get P.

Once you decide to go for P/NP, you cannot change back to a letter grade. If you are taking this course as part of a certificate program, you can probably still take the class P/NP. Check with a counselor to be sure.

## Instructor Announcements and Q&A Forum

---

The instructor will post announcements on the "Instructor Announcements" page in Canvas throughout the semester. Canvas notifies students according to their preferred Notification

Preferences as soon as the instructor creates an Announcement. A “Q&A Forum” is also on Canvas to ask for assistance of your classmates or of instructor.

## Attendance

---

Although this is an online course, your "attendance" in class is mandatory. The factors that make up "attendance" include submitting your assignments on time, participating in online class discussions, and completing quizzes by the due dates stated on the Class Schedule.

- It is the student's responsibility to opt for a P/NP (Pass/No Pass) grade.
- It is the student's responsibility to drop this course by the drop date(s) listed in this Syllabus.
- Students who have not submitted assignments or contacted me by January 25 will be dropped by the instructor as No Shows.

## Late Policy

---

All assignments are due by 11:59 pm on the due date shown in the Modules link. You can submit an assignment before the due date, but, if you submit an assignment after the due date, a 10% penalty will be deducted from the points possible for each day the assignment is late, up to a 50% deduction. Assignments will not be accepted after the last day of class (listed in the online schedule of classes) for any reason.

## Quizzes and Exams

---

There will be weekly quizzes based on information in the text, lecture notes, and assignments. There is no final exam in this course. Students will complete a final assessment project using QuickBooks.

You must take the quizzes by the deadlines; quizzes cannot be submitted late. The computer turns off the tests at midnight of the due date; however, if you are in the middle of the test at midnight, the computer will allow you to submit the quiz. No makeup of quizzes is allowed. If a quiz is not taken, "0" points will be assigned.

Unless you have a notice of accommodation from Disability Resources, you will have 20 minutes to complete the quiz. Be sure you have time to complete it before you click the link below. Once you click the quiz link you must complete the quiz.

Most questions must be manually graded so don't panic when you don't see points for a question that is correct. I can only insert a few correct choices but rest-assured, I will look at each and every question before submitting the final grade for the week. You will know when I have entered the final grade because I will leave a comment in the quiz for you.

## Grading Policy

---

There will be several assignments due each week along with a quiz and communication assignment. Assignments are worth five points each, quizzes are worth ten points, and communication postings are worth five points. You will also complete a midterm and final project. Visit the “Grades” in Canvas to keep track of your grades. I grade several times each week and post grades and comments on the online Canvas gradebook.

- Assignments – 65%
- Quizzes – 25%
- Discussion Postings – 10%

Grades will be assigned as follows:

Grade	Percentage
A	90% - 100%
B	80% - 89%
C	70% - 79%
D	60% - 69%
F	Below 59 %

If taking Pass/No Pass you need at least 70% of the total class points and complete the midterm exam and the final exam to pass the class.

**All students are expected to do their own work and save documents to their individual disk. Students copying or claiming the work of others as their own will be given an F (zero points) for the assignments.**

## Standards of Conduct

---

Students who register in SRJC classes are required to abide by the SRJC Student Conduct Standards. Violation of the Standards is basis for referral to the Vice President of Student Services or dismissal from class or from the College. See the [Student Code of Conduct page](#).

Collaborating on or copying of tests or homework in whole or in part will be considered an act of academic dishonesty and result in a grade of 0 for that test or assignment. I encourage students to share information and ideas, but not their work. See these links on Plagiarism: [SRJC Writing Center Lessons on avoiding plagiarism](#)  
[SRJC's policy on Academic Integrity](#)

## Disability Resources

---

Students with disabilities who believe they need accommodations in this class are encouraged to contact Disability Resources (707-527-4278), as soon as possible to better ensure such accommodations are implemented in a timely fashion. You can visit the Disability Resources web page by clicking below: [Disability Resources Web Page](#)
