

# Course Syllabus

## FIRE73: Fire Prevention Technology: Section 5315, Fall 2026

### Course Syllabus

Principles of Fire Prevention Syllabus is optional for your use. Available for review is the [Fire 73 course outline of record. \(https://portal.santarosa.edu/SRWeb/SR\\_CourseOutlines.aspx?mode=1&CVID=38155&Semester=20187\)](https://portal.santarosa.edu/SRWeb/SR_CourseOutlines.aspx?mode=1&CVID=38155&Semester=20187)

### Course Description

Fire 73 is a 3-unit core fire technology course that provides the fundamental information regarding the history and philosophy of fire prevention, organization and operation of a fire prevention bureau, use of fire codes, identification and correction of fire hazards, and the relationship of fire prevention to fire safety education and detection and suppression systems.

The best way to navigate the class is to use the modules and select "Next" at the bottom of each page to ensure you don't miss any content. Quizzes are required for 14 Units to assess your knowledge of the subject. There will be no quiz for Units 15 or 16. This time should be spent on your final "History in Fire Prevention" Adobe Express presentation. This peer-reviewed presentation will be seen as your final exam.

### Student Learning Outcomes

Upon successful completion of this course, the student will be able to:

1. Explain the progress of fire prevention in the United States.
2. Discuss the need, responsibilities, and importance of fire prevention organizations.
3. Discuss the laws, rules, codes, and other regulations relevant to fire prevention and protection.

The Fire 73 Student Learning Outcomes can be found [online \(https://portal.santarosa.edu/SRWeb/SR\\_CourseOutlines.aspx?mode=1&CVID=37933&Semester=20183\)](https://portal.santarosa.edu/SRWeb/SR_CourseOutlines.aspx?mode=1&CVID=37933&Semester=20183).

### Class Meetings

There will be no physical class time. There is a recorded instructor video at the beginning of the class that you are required to watch. Others may be scheduled as needed or as requested. The video is recorded and can be viewed asynchronously for the points.

## Instructor Contact

Linda Collister | She, her, hers  
Fire Technology Tenure Instructor  
Public Safety Training Center  
5743 Skylane Blvd.  
Windsor, CA 95492  
Office: (707) 836-2922  
Mobile: (707) 477-8845

CANVAS INBOX: Please use the "Inbox" and Select FIRE73 Collister, L for our primary communication. This is the PREFERRED method for communication to ensure any class issues are resolved promptly.

Phone: (707) 477-8845 or use the Pronto App in Canvas to text me.

Office: (707) 836-2922

Office Hours: Phone or ZOOM meeting. In person meetings will be scheduled at the Public Safety Training Center, 5743 Skylane Blvd, Santa Rosa, CA 95492. Please email or call to set up an appointment.

I respond to emails within 24 hours.

You may also use the [Canvas Conversations Inbox](https://community.canvaslms.com/docs/DOC-2670)  [\\_\(https://community.canvaslms.com/docs/DOC-2670\)\\_](https://community.canvaslms.com/docs/DOC-2670) to send me a message.

## Course Web Site

Students will use the Canvas course website for assignment instructions, submitting assignments, viewing classmates' work, sharing resources, taking part in discussions, and viewing grades. Additionally, our text and course reference the links listed under the home Page picture. These include NFPA, and ICC Free Code References.

## Textbook

The textbook is available for purchase at the Santa Rosa Bookstore, and a copy will be available at the library.

**Principles of Fire Prevention, Fourth Edition** ➡ ([https://www.firebooks.com/products/principles-of-fire-prevention-4th-edition-includes-navigate-advantage-access?\\_pos=3&\\_sid=a5894bf75&\\_ss=r](https://www.firebooks.com/products/principles-of-fire-prevention-4th-edition-includes-navigate-advantage-access?_pos=3&_sid=a5894bf75&_ss=r)). ## Required Software

- **Adobe Reader** ➡ (<http://get.adobe.com/reader/>)
- **Chrome** ➡ (<https://support.google.com/chrome/answer/95346?co=GENIE.Platform%3DDesktop&hl=en-GB>) is the recommended browser for Canvas
- Microsoft Office WORD or Google Docs

- **Adobe Express**  (<https://www.adobe.com/express/>)

Run this **computer readiness test**  (<https://apps.3cmediasolutions.org/oei/tools/computer-readiness.html>) to check your browser for plugins and versions.

## Important Dates

Day Canvas is available Online: Friday, January 9, 2026.

Monday, January 12, 2026

CLASSES BEGIN

Monday, January 19, 2026

Dr. Martin Luther King Jr. Day Holiday

(No classes, District Closed)

Sunday, January 18, 2026

Last day to register/add semester length class

without instructor's signature or add code

Sunday, January 25, 2026

Last day to drop semester length class and be

eligible for a refund

Sunday, February 1, 2026

Last day to register/add semester length class

with the instructor's signature or add code

Sunday, February 1, 2026

Last day to drop a semester length class

without "W" symbol

Monday, February 2, 2026

First Census Day

Thursday February 12, 2026

Mandatory Professional Development Activities

Institutional Day (No classes, District closed for PDA)

Friday, February 13, 2026

Lincoln's Day Holiday Observance (No classes,

District closed)

Saturday, February 14 - Sunday, February 15, 2026 Saturday and Sunday (Classes will meet)

Monday, February 16, 2026

Washington's Day Holiday (No classes, District

closed)

Monday, March 16 - Sunday, March 22, 2026

Spring Break (No classes)

Thursday, March 19, 2026

Professional Development Flex Day (No classes)

Friday, March 20, 2026

Professional Development 1/2 Flex Day (No classes)

Monday, March 23 - Sunday, April 19, 2026

Midterm progress indicators posted in student portal

Tuesday, March 31, 2026

Cesar Chavez / Dolores Huerta Day (No classes,

District closed)

Sunday, April 19, 2026

Last day to drop a semester length class with "W"

symbol

Friday, May 15, 2026

Last day to opt for P/NP for a semester length

class

Saturday, May 16 - Friday, May 22, 2026

Final Examinations

Saturday, May 23, 2026

Commencement Exercises

## Dropping the Class

If you decide to drop this course, it is your responsibility to officially drop it. A student may be dropped from any class when that student's absences exceed ten percent (10%) of the total hours of class time. It is strongly advised that if you need to miss more than one class/homework deadline in a row that you contact the instructor to avoid being dropped from the class.

## Attendance

Directly from the college catalog: For classes that meet online, a No-Show is an enrolled student who has not logged on and started active participation by 11:59 PM Pacific Time on the second day of the class, which is the first day of Module 2.

Attendance is not optional for this course. If students accrue nine hours (9) of absence, including missed assignments, quizzes, and modules, they may be dropped from the class.

## Instructor Announcements and "Fire House Kitchen Table" Forum

The instructor will post announcements on the Announcements page in Canvas throughout the semester. Canvas notifies students according to their preferred Notification Preferences. A "Fire House Kitchen Table" is also available as a pinned Discussion to ask for help of your classmates.

## Quizzes and Assessments

There are 14 online quizzes. The midterm is not your typical exam assessment. The midterm will be a student reflection of the materials covered in the text and online materials. The final exam will incorporate information from the texts and lessons presented in Adobe Express. The material for the quizzes comes from the textbook and lessons. A zero will be recorded as the score if any quiz or assessment is missed. You should take the quizzes by the due date. The final assessment is an in-depth reflection of what you learned about your chosen subject from the class. The presentation submittal will be due the week before the final Module, and the peer review will be the last discussion assignment to complete the class. Because of your busy lives, two of the lowest quiz scores will be dropped from the final score.

## Adobe “[Express](https://www.adobe.com/express/) (https://www.adobe.com/express/)\_” Presentation

Students ARE REQUIRED to complete "History in Fire Prevention" Adobe Express presentation as the final exam. You will get to choose from the list below for your project. It will consist of at least 15 pictures

and no more than 20. (Students who choose not to submit a presentation will receive an F for the course.) The presentation will be on a topic from a list provided on the assignment page or as approved by the instructor. The presentation **must** include the works cited. This assignment will be broken into three mandatory submittals. The final submittal will be the whole presentation. The presentation must be submitted through Canvas (Assignment Link). Grades for late presentations will not be accepted unless arrangements are made in advance of the deadline. The due date is provided on the Unit Content Table. See the Rubric for the Presentation on the assignment page. All three submittals are **REQUIRED MANDATORY** assignments. Students who do not complete the assignments **FAIL** the course.

Here are events to choose from: Natchez Rhythm Club; 1944 Ringling Circus; Iroquois Theater; Cocoonut Grove; Ohio Penitentiary; Lady of Angels School; Peshtigo Fire, Kiss Nightclub Fire; Happy Land Fire; Golden Age Nursing Home Fire; Yarnell Hill Fire; Beverly Hills Supper Club; Winecoff Hotel, or Station Nightclub Fire. If you have an event for which you would like to give a presentation that is not listed here, it will need to be approved.

The LNU Complex Fires (Tubbs, Nuns, Atlas, Pocket), Ghost Ship, Kincade, Glass fires are not included on the list since we will be talking about these in class.

Contact the instructor if you are a visually disabled student and need an alternative assignment.

[https://canvas.santarosa.edu/courses/79658/files/11119301/download?download\\_frd=1](https://canvas.santarosa.edu/courses/79658/files/11119301/download?download_frd=1)

## Online Discussion Attendance

Networking is vital for firefighters and fire service professionals at all levels. More than likely, each of you will only know someone in the class. As the instructor, I added a Q&A Discussion Board called "Fire House Kitchen Table". It is available for students to interact with one another and will not be monitored, allowing you to ask and answer questions among yourselves. We will have some seasoned firefighters and fire professionals in the class, making it an excellent opportunity to network and ask questions of one another. Since I will not monitor the Fire House Kitchen Table, please be professional and polite. Since participation in online classes is essential, we will have a group discussion in every module using different tools. Discussions are so vital that they are worth 20% of the grade. There are posted questions to start the discussion, but you can also comment on what you perceive or think. Make sure to explain your observation in detail. Feedback is essential, so comment on another student's post to receive the full 20 points.

## DIRECTIONS for Discussion Success:

Discussions will be shared throughout the class. You'll need to participate in the discussion during the week specified in the module dates to receive full credit. Students must post their first response by

Tuesday at 11:59 PM and provide at least one comment on other students' posts by Thursday at 11:59 PM. The first and additional posts must be at least 100 words or more. Your first post will be worth 15 points, and your comment on a student's post will be worth 5 points.

I leave all discussions open during class for students who wish to continue the dialogue. However, according to the calendar of events, the discussions are graded shortly after the week they are due.

Discussions and Assignments may be posted using VoiceThread (VT), Canvas Studio, PlayPosit, Hypothesis, or other applications to promote class involvement. The requirements for these discussions will be outlined on the Unit's Discussion Page. Follow the Rubric for full points.

## Grading Policy

Click the "Grades" link in Canvas to keep track of your grades. I grade weekly (usually Mondays) and post grades and comments in the Canvas grade book. Modules may include the extra credit assignments.

Grades will be assigned as follows:

**A** 90%

**B** 80%

**C** 70%

**D** 60%

## Late Policy

All assignments, discussions, and quizzes are due in Canvas at 11:59 PM [Pacific Standard Time] on the due date. Late submissions will receive a 10% daily grade reduction for up to 5 days. Any assignment not completed will receive a zero. As you know, submissions that are more than one week late are not accepted without prior arrangements. Some modules allow you to return and submit past-due assignments for partial grades. The mandatory assignments for your final Adobe Express presentation are required to pass the class. Look for Extra Credit discussions in the modules to make up points you missed.

## Instructor Feedback

The instructor will provide feedback to the student on graded assignments and discussions using the comments section of the grades. For assignments submitted as a document, the instructor may add

comments to the document. The student must turn on account notifications. The instructor may send out an announcement to notify students of a change that may affect the entire class or group of students.

## Standards of Conduct

Students who register in SRJC classes must abide by the SRJC Student Conduct Standards. Violation of the Standards is the basis for referral to the Vice President of Student Services or dismissal from class or from the College. See the [Student Code of Conduct page. \(http://student-conduct.santarosa.edu/\)](http://student-conduct.santarosa.edu/)

## Academic Integrity

Collaborating on or copying of tests or homework in whole or in part will be considered an act of academic dishonesty and result in a grade of zero for that test or assignment. Students are encouraged to share information and ideas, but not their work. These courses are for you to learn. Using Gen AI websites like ChatGPT to answer questions may result in a lower grade if the information is not cited correctly and does not demonstrate critical thinking on your part. See these links on Plagiarism:

[SRJC's Statement on Academic Integrity \(http://www.boarddocs.com/ca/santarosa/Board.nsf/goto?open&id=A63TMC78051C\)](http://www.boarddocs.com/ca/santarosa/Board.nsf/goto?open&id=A63TMC78051C)

## Special Needs

Every effort is made to ensure that all instructor-created materials conform to accessibility standards. Students should contact their instructor as soon as possible if they are unable to access any course materials. Students with disabilities who believe they require accommodations in this class are encouraged to contact Disability Resources at (707) 527-4278.

## Student Resources

If you need any help or [Student Resources, \(https://college-skills.santarosa.edu/student-resources\)](https://college-skills.santarosa.edu/student-resources) please reach out. Online Student Services are available for students who do not have computers or cannot afford internet service.

## List of assignments

**Note to students:** To access all course content, navigate to the Home Page or Modules section. All module links are listed on the home page with Module dates. All Modules have prerequisites to review pages assignments and quizzes
