COURSE CONTENT

Outcomes and Objectives:

The students will be able to:

- understand the role of sugars, fats, eggs, and flours in baked goods before attempting to alter a recipe;
- examine alternatives to refined sugar, understand the nutritional differences of various sweeteners, and have an understanding of how alternative sugars work in baking;
- examine the role of eggs in baking and work successfully with ingredients that can replace eggs in a recipe;
- develop a repertoire of fat-free and low-fat desserts;
- successfully bake good-tasting wheat-free cakes, muffins, and cookies;
- successfully prepare delicious, frozen and fruit desserts, mousses, and gels.

Topics and Scope:

1. Discussion of sugars, flours, fats, and eggs in baking and nutrition. Preparation of a variety of naturally fat-free desserts such as Angel Food, Sorbet, and Meringue.
2. Examining alternatives to wheat flour, sugars, and eggs, such as rice flour, maple syrup and ground flax seeds. Lowering fats while making good tasting muffins, quickbreads and cookies.
3. Making cakes and frostings that offer options to flour, eggs, and butter. Spongecake, Flourless Chocolate Cakes, Cooked Meringue

- Frosting.
4. Frozen and Fruit-based desserts, including ices, mourses, poached fruits, and gels.

Assignment:

Assignments vary from chef to chef but usually students are graded on:

1. Attendance.
2. Preparation of annotated recipe files.
3. Written critique and evaluations.
4. Homework assignments.
5. Quality of lab work.

Methods of Evaluation/Basis of Grade:

Writing: Assessment tools that demonstrate writing skills and/or require students to select, organize and explain ideas in writing.

None

Writing
0 - 0%

Problem Solving: Assessment tools, other than exams, that demonstrate competence in computational or non-computational problem solving skills.

Homework problems, Lab reports

Problem solving
10 - 25%

Skill Demonstrations: All skill-based and physical demonstrations used for assessment purposes including skill performance exams.

Class performances

Skill Demonstrations
60 - 80%

Exams: All forms of formal testing, other than skill performance exams.

None
