COURSE CONTENT

Outcomes and Objectives:

Outcomes and objectives will vary depending upon student's skill level, motivation, and goals. These variables are assessed at intake by tests administered by instructor and by consultation with the student and with appropriate counselors, coordinators or other instructors who are involved with student's academic and vocational plans.

Outcomes and objectives can include but not be limited to the student's being able to demonstrate language skills and cultural understanding in order to:

State own work background: experience, skills, and interests;

Explore long and short range job goals while identifying appropriate entry level jobs;

Identify job training opportunities;

Fill out various application forms stating personal work experience, education, references;

Read and interpret classified ads and other job notices;

Use telephone for seeking information about jobs and/or training, arranging for interviews, asking directions, writing down information;

Interview for a job, being aware of appropriate appearance, behavior and responses;

Interpret and develop a resume;

Ask for, follow and give directions for locating a particular place;

Discuss advantages and disadvantages of different types of transportation to work;
 Read and use bus schedules;
 Access child care;
 Use U.S. currency and practical math as a consumer, taxpayer, and employee
 Understand benefits and insurance: social security, automobile, health, life and retirement;
 Read and interpret signs and labels for directions, cautions, warnings and regulations;
 Identify and report unsafe procedures and conditions;
 Identify and understand importance of safety attire and equipment;
 Give and respond to verbal warnings and commands for safety;
 Deal with stress;
 Follow and give two- to three-step oral directions;
 Request clarification and give feedback;
 Communicate with supervisor about absences, tardiness, work expectations, progress evaluations and promotions;
 Read and interpret work schedules, time cards, employee handbooks;
 Use appropriate registers of speech and manners with supervisors, co-workers and customers;
 Understand role of employee organizations, including labor unions;
 Leave a position/change jobs.

Topics and Scope:

The content of this non-credit course emphasizes language development and cultural understanding of vocational topics: finding a job, performance on a job, managing money, job safety, child care and transportation. The course is delivered in a lab/lecture format. The classes focus on interaction through language activities and exercises.

Assignment:

Role plays of employment situations;
 Writing reports on goal-related entry level jobs and/or training programs;
 Filling out work forms;
 Analysis of problems related to employment;
 Newspaper reading and writing reports;
 Listening comprehension exercises;
 Computation problems.

Methods of Evaluation/Basis of Grade:
