  - B. Promoting the merchandise

**Assignment:**

1. Visit and compare types of stores: chain stores, retail stores and independent stores and write 1-2 pages describing buying environment and fashion trends observed.
2. Write a fashion buying plan (approximately 10-15 pages).
3. Conduct online research to determine demographics of a market segment in a particular area of California or the U.S. Write a 3-5 page analysis of market segments and projected buying habits.
4. Track current fashions and forecast following season's merchandise by collecting photos and articles. Organize in a manufacturer's notebook and write a 2-5 page analysis supporting your forecast.

5. Complete worksheets (2-5) on financial operations management.
6. Read text (10-30 pages per week) and prepare for participation in class discussions.
7. Tests (1-3); final exam.
