COURSE CONTENT

Outcomes and Objectives:

Upon completion of this course, the student will be able to:

1. Examine the special topics in physical education through lecture and library research.
2. Read and analyze text material and current research literature in relation to the special topic.
3. Evaluate physical education concepts in relation to the specific topic, in both essay and research papers.
4. Relate the relevance of the special topic to the field of physical education.

Topics and Scope:

Specific content, topics, and scope will vary with each offering.

Each topic will be reviewed by the instructor specializing in that area.

Assignment:

These will vary widely with each specific topic, but will always include:

1. Reading in textbooks and/or current physical education literature, 10-50 pages per week
2. Writing assignment: 3 - 6 written reports (1-2 pages) summarizing text or current literature articles.
3. Research paper (2-10 pages) analyzing current physical education topic.
4. Organization and progress report assessments.

Methods of Evaluation/Basis of Grade:
