COURSE CONTENT

Student Learning Outcomes:

At the conclusion of this course, the student should be able to:

- 1. Create clear, comprehensive informational and persuasive oral presentations designed for use in a business setting, effectively utilizing appropriate elements and resources.
- 2. Effectively and confidently deliver oral presentations tailored to the business environment.

Objectives:

Students will be able to:

- 1. Analyze the basic communication process and describe its elements.
- 2. Prepare an audience analysis for an oral presentation.
- 3. Design the purpose statement for a specific topic for an oral presentation.
- 4. Distinguish between credible and non-credible sources of references.
- 5. Create a credibility statement and evaluate its effectiveness within a presentation.
- 6. Select and utilize applicable, appropriate references to research specific presentation topics and create a bibliography of references.
- 7. Examine types of supplementary material to enhance an oral presentation.
- 8. Select direct information and supplementary material for a presentation and evaluate effectiveness for inclusion.
- 9. Analyze the types of organizational sequence used for presentations.
- 10. Create a clear, comprehensive outline of a presentation.
- 11. Effectively utilize transition words and phrases between sections of a presentation in order to make ideas more meaningful and connected.
- 12. Correlate the purpose of the introduction and conclusion of a presentation.
- 13. Analyze the types of introductions typically used for presentations and select the most effective for a given situation.

- 14. Analyze the types of conclusions typically used for presentations and select the most effective for a given situation.
- 15. Examine non-verbal communication and select effective gestures and non-verbal communication techniques to enhance each presentation.
- 16. Compare types of visual aids, then select the most appropriate and effective visual aid for use in a presentation.
- 17. Prepare an audience analysis, comprehensive outline, and bibliography for an oral presentation.
