COURSE CONTENT

Student Learning Outcomes:

At the conclusion of this course, the student should be able to:

1. Identify, define and demonstrate basic tasks of peace officers.
2. Identify, classify, and apply appropriate provisions of federal and state law related to peace officers.
3. Perform and document complete preliminary investigations assigned to peace officers.
4. Demonstrate the physical skills needed to perform the tasks of a peace officer in the areas of driving, shooting, defensive tactics and first aid.

Objectives:

At the conclusion of this course, the student should be able to:

1. Demonstrate through learning activities and cognitive tests a working knowledge of the basic principles of the law enforcement profession which will minimally include: law enforcement history, ethics, career influence and state court and correction systems.
2. Demonstrate through learning activities, exercises, and scenarios knowledge of community relations, community oriented policing, tactical communication strategies, and cultural awareness and diversity issues.

3. Recall and apply through cognitive and scenario tests current laws of the State of California as they relate to criminal behavior, traffic enforcement, laws of evidence, and search and seizure.
4. Develop and write effective police reports based on word pictures or scenarios.
5. Demonstrate through cognitive and exercise tests, the ability to safely and effectively operate a law enforcement emergency vehicle both in low and high speed and under variable road conditions.
6. Demonstrate through cognitive and exercise tests the legal, moral, and the safe use of both handguns and shotguns commonly employed for use by law enforcement agencies.
7. Student will demonstrate proficient use of the handgun and shotgun, which meets the minimum standard approved by the Law Enforcement Advisory Committee.
8. Demonstrate through exercises and scenario tests the ability to conduct specific criminal investigations, locate and process evidence at a crime scene, issue a citation for a traffic violation, complete all required tests for a Driving Under the Influence (DUI) violation, conduct an accident investigation, and demonstrate the ability to effectively and safely conduct low and high risk vehicle stops employing proper officer safety procedures.
9. Demonstrate through exercise tests the ability to safely control and arrest a suspect using approved weaponless defense techniques, including the proper use of the police baton, and application of the carotid restraint.
10. List the current civil and criminal liabilities and penalties for the improper use of force.
11. Demonstrate through cognitive and exercise tests accepted procedures for administering first aid and cardio pulmonary resuscitation.

Topics and Scope:

All Topics are covered in both the lecture and lab parts of the course.

Assignment:

Lecture Related Assignments:

1. Read 3-5 chapters per day from POST workbooks
2. Prepare and recall approximately 120 law study cards
3. Research and complete 30- 35 written assignments from police policy and procedure manuals
4. Prepare 10-15 investigative reports of which 10 are graded
5. Complete 26 Academy constructed multiple choice quizzes
6. Complete 3 POST constructed multiple choice comprehensive and integrated tests

Lab Related Assignments:

1. Complete 86 POST learning activities
2. Complete 14 POST constructed scenario tests
3. Complete 16 POST arrest and control exercise tests
4. Complete 8 POST firearms exercise tests
5. Complete 8 POST emergency vehicle operations exercise tests
6. Complete 3 Academy constructed scenario tests

Methods of Evaluation/Basis of Grade:

Writing: Assessment tools that demonstrate writing skills and/or require students to select, organize and explain ideas in writing.

Written homework, written investigative reports

Writing 10 - 25%

Problem Solving: Assessment tools, other than exams, that demonstrate competence in computational or non-computational problem solving skills.

Scenarios, exercises, learning activities

Problem solving
20 - 40%

Skill Demonstrations: All skill-based and physical demonstrations used for assessment purposes including skill performance exams.

Scenarios, exercises, learning activities, arrest and control, firearms and emergency vehicle course

Skill Demonstrations
10 - 30%

Exams: All forms of formal testing, other than skill performance exams.

Comprehensive and integrated test: Multiple choice, true/false

Exams
30 - 50%

Other: Includes any assessment tools that do not logically fit into the above categories.

Two evaluations based on the job dimensions determined by the State of California for the employment of peace officers

Other Category
5 - 15%
