## **COURSE CONTENT**

### **Student Learning Outcomes:**

At the conclusion of this course, the student should be able to:

1. Analyze the basic concepts, terms, and theories used in the anthropological study of culture and apply them to the Native North American groups.
2. Compare and contrast socio-political systems, kinship structure, gender relations, technology, subsistence patterns, arts, and ritual among various Native North American groups.
3. Evaluate the effects of European and Euro-American colonization on traditional Native North American cultures.

## **Objectives:**

Upon completion of this course, students will be able to:

1. Identify appropriate terms and concepts used in the study of Native North American cultures.
2. Integrate data from archaeology, physical anthropology, linguistics, and Native North American oral history to explain the origin of Native North Americans.
3. Locate on a map and describe the Native North American culture areas, as well as the traditional territories of various Native groups.
4. Reconstruct the time-line of European colonization.
5. Analyze the cultural transformations that occurred within Native societies as a result of colonization.

## **Topics and Scope:**

- I. Overview of Anthropological Concepts and Terms
  - A. Anthropological concepts of culture, culture area, ritual, and kinship
  - B. Theoretical perspectives used in the study of Native American cultures
- II. Origins of Native Americans and the Peopling of the Americas
  - A. Biological and archaeological data and hypotheses
  - B. Ethnographic and linguistic data and hypotheses
  - C. Native oral histories
- III. The Native North American Culture Areas and the Varying Cultural Adaptations of Native Peoples
  - A. Peoples of the Arctic
  - B. Peoples of the Subarctic
  - C. Peoples of the Northwest Coast
  - D. Peoples of the Plateau
  - E. Peoples of the Great Basin
  - F. Peoples of California
  - G. Peoples of the Southwest
  - H. Peoples of the Great Plains
  - I. Peoples of the Northeast and Great Lakes
  - J. Peoples of the Southeast
- IV. Topics and Issues Relative to the Study of Traditional Native North American Cultures
  - A. Ethnicity and identity
  - B. Gender roles and sexual orientation
  - C. Religions and world views
  - D. Environmental ethics and subsistence forms
- V. European Contact and Colonization
  - A. Time-line
    1. Spanish contact and colonization
    2. English contact and colonization
    3. French contact and colonization
    4. Russian contact and colonization
    5. Euro-American contact and colonization
  - B. Cultural change and assimilation within Native North American groups as a result of European and Euro-American contact and colonization
- VI. Current issues, challenges, and cultural trends within contemporary Native North American populations, including sovereignty, indigenous epistemologies, law and policy, comparative global indigenous studies, women and gender studies, queer studies, subaltern studies, immigrant and refugee histories, and transnational and diasporic studies.

## Assignment:

1. Students will read approximately 10-25 pages weekly in required textbooks.
2. Students will complete 2 to 3 exams and a final.
3. One to three written assignments (750 to 1250 word total) and/or presentation
4. Optional assignments may include:
  - a. Map quizzes
  - b. In-class participation projects

## Methods of Evaluation/Basis of Grade:

**Writing:** Assessment tools that demonstrate writing skills and/or require students to select, organize and explain ideas in writing.

Written assignments

Writing  
10 - 25%

**Problem Solving:** Assessment tools, other than exams, that demonstrate competence in computational or non-computational problem solving skills.

None

Problem solving  
0 - 0%

**Skill Demonstrations:** All skill-based and physical demonstrations used for assessment purposes including skill performance exams.

None

Skill Demonstrations  
0 - 0%

**Exams:** All forms of formal testing, other than skill performance exams.

Multiple choice, True/false, Matching, Essay exams, Quizzes, Final

Exams  
75 - 90%

**Other:** Includes any assessment tools that do not logically fit into the above categories.

Museum assignments.

Other Category  
0 - 10%
