COURSE CONTENT

Student Learning Outcomes:
At the conclusion of this course, the student should be able to:
1. Explore employment opportunities in schools or other settings where literacy is a component of student preparation.
2. Explain how literacy support systems contribute to student success in educational pathways.
3. Display an understanding of how non-instructional employees support families, caregivers, and students in academic success.

Objectives:
Upon completion of the course, students will be able to:
1. List at least five non-instructional jobs that support student achievement.
2. Describe how classified or support positions contribute to the overall academic environment.
3. Explain how to create a supportive study environment to promote literacy and overal student achievement.
4. List at least three everyday activities that promote student engagement.
5. Assist parents, caregivers, and children in connecting with the school system to better support academic growth.

Topics and Scope:

I. Job Opportunities in Literacy Preparation and Support Services
   A. Job descriptions for pre- school or elementary school age facilities
   B. Job descriptions for middle and high school age facilities

C. Job descriptions for private educational facilities and community based organizations
D. Educational pathways to jobs in the field of education

II. Supporting Parents, Caregivers, and Students in the Educational Process
    A. Reinforcing learning objectives with parents, caregivers, and children
    B. Creating educational goals and opportunities in partnership with parents, caregivers, and children
    C. Understanding the educational process and the various pathways to student success

III. Everyday Activities As Educational Opportunities
    A. Common social acitivities and responsibilities
    B. Prioritization as part of the educational process
    C. Encouraging children to participate in conversational activities
    D. Locating recreation and entertainment activities in the community

IV. Supporting School Engagement
    A. Checking in with students about class schedules, favorite school subjects, and the importance of school attendance
    B. Informing and recruiting parents and caregivers into volunteer opportunities
    C. Reinforcing appropriate student behavior in common spaces
    D. Recognizing signs of bullying or cyber-bullying

V. Assisting Students With Educational Goals
