COURSE CONTENT

Student Learning Outcomes:

At the conclusion of this course, the student should be able to:

1. Apply CHW standards of practice to community health outreach experience.
2. Demonstrate CHW outreach techniques and strategies in health-related work with community-based agencies, clinics, and other local organizations.
3. Provide clear documentation of tasks completed in outreach experience.
4. Demonstrate the ability to refer clients with acute or chronic health issues to appropriate services and resources.

Objectives:

Upon completion of the course, students will be able to:

1. Demonstrate appropriate standards of CHW practice.
2. Conduct effective interviews with community members.
3. Make referrals to appropriate health-related resources.
4. Practice cultural self-awareness and humility in all aspects of community health outreach experience.
5. Describe traditional health beliefs and practices, and their relationship to effective community outreach work.
6. Analyze and discuss CHW encounters, focusing on standards of practice and analysis of skills and problem solving related to outreach experience.

Topics and Scope:

- I. CHW Standards and Scope of Practice
 - A. Standard Precautions

- B. Health Insurance Portability and Accountability Act
- C. Ethical and effective CHW roles
- D. Core competencies and qualities
- E. Application to community health outreach
- II. Cultural Responsibility in the Outreach Setting
 - A. Importance of cultural responsibility
 - B. Defining and understanding culture
 - 1. traditional health beliefs and practices
 - 2. cultural relativity
- III. Effective Communication
 - A. Cooperation and collaboration with supervisors
 - B. Client-centered communication and information gathering
 - C. Motivational interviewing
- IV. Community Referrals and Resources
 - A. Community strengths, challenges and issues
 - B. Available and appropriate resources
- V. Lab--Organization and Professionalism
 - A. Complete 120 hours externship
 - B. Complete all documentation requirements

Assignment:

1. Practice, via role play scenarios and case studies, effective outreach techniques.
2. Perform roles designated by the CHW scope of practice.
3. Maintain a journal of externship experiences, reflect on communication with supervisors, clients and peers.
4. Meet with instructor and outreach supervisor (1-3 times) during semester to review accomplishments and identify areas for improvement.

Methods of Evaluation/Basis of Grade:

Writing: Assessment tools that demonstrate writing skills and/or require students to select, organize and explain ideas in writing.

Journal and weekly externship documentation

Writing 5 - 10%
