#### **Catalog Description:**

This course is designed to prepare students and professionals who will be working with young children to negotiate the cultural and sociopolitical contexts of a diverse society. Students will examine the contexts of race, culture, gender, and socio-economic class as they relate to child development and respectful interactions with families in an educational or social service environment. The focus will be on transformative education that encourages self-examination and reflection on issues related to social identity, stereotypes and bias, social and educational access, media and schooling, and creating pluralistic environments for children and families.

## **Prerequisites/Corequisites:**

### **Recommended Preparation:**

Course Completion of CHLD 10 OR Course Completion of CHLD 110.1 and CHLD 110.2; AND Eligibility for ENGL 1A OR EMLS 10 (formerly ESL 10)

#### **Limits on Enrollment:**

### **COURSE CONTENT**

## **Student Learning Outcomes:**

At the conclusion of this course, the student should be able to:

- 1. Analyze the multiple impacts of culture, gender, race and societal systems on young children's social and identity development, including children's experiences as members of families targeted by social bias.
- 2. Compare and contrast diverse cultural values and parenting practices, with an awareness of one's culture and practices.
- 3. Demonstrate an understanding of the professional's role as an advocate for constructive social change for children and families.

# **Objectives:**

At the conclusion of this course, the student should be able to:

- 1. Compare historical and current perspectives of diversity and inclusion and their impacts on children's identity development and learning.
- 2. Explore and define their own cultural backgrounds and social identities including language, ethnicity, religion, immigration, and socio-economic class.
- 3. Explain the nature of systemic and internalized privilege and oppression.
- 4. Develop and implement strategies to counter the overt and covert ways in which stereotypes, discriminatory behavior, and prejudice are learned.
- 5. Understand diverse cultural values and parenting practices in order to work more effectively with children and families.
- 6. Analyze contemporary educational practices and environments for cultural sensitivity.
- 7. Demonstrate ability to negotiate cultural conflicts among families, teachers, children, and administrators in early childhood settings.
- 8. Utilize classroom environments, materials, and interactions that effectively promote each child's identity, as well as delight and respect for diversity.

### **Topics and Scope:**

The following topics will be addressed from an American multicultural context:

- I. Race, Ethnicity, and Cultural Styles
  - A. The impact of social context on children's development
- B. Beliefs, values, and parenting practices of diverse ethnic and cultural groups in the United States, including African, Asian, Chicano/Latino, European, Indigenous Peoples of the Americas, and Middle Eastern
  - C. Theories of the development of culture and language
  - D. Specific needs of multiracial children and families
- II. Discriminatory Behavior in Social Institutions
  - A. The role and effect of oppression on children and families
    - 1. Internalized oppression
    - 2. Internalized privilege
    - 3. Mechanisms of discrimination and bias in early childhood settings
- B. Historical dynamics of discrimination based on gender, ethnicity and race, socio-economic status, immigration, sexual diversity, and ability
  - C. Patterns of institutional discrimination
  - D. Self-reflection regarding discrimination and privilege
- III. Development of Bias and Prejudice in Children
  - A. Children's developmental understanding of human differences
  - B. The progression of how children learn bias
- C. Cultural, institutional, and media influences on development of biased attitudes including stereotypes
- IV. Pluralistic Educational Environments
- A. Culturally responsive interactions and communication among adults and children, including the teacher's role
  - B. Environmental influences on how bias is learned
  - C. Environments that reflect cultural diversity
  - D. Holidays and religious celebrations
    - 1. Program policies
    - 2. State funded program considerations
- V. Inclusive Educational Practices
  - A. Preventing discriminatory behavior in children and adults
  - B. Diverse learning and communication styles
  - C. Negotiating cultural conflicts in early childhood settings
  - D. Multicultural curriculum development

- E. Family involvement and parent-teacher communication
- F. Inclusion of children with special needs in early childhood settings

### **Assignment:**

Assignments may include the following:

- 1. Reflective writings incorporating the text and concepts presented in class, approximately 10 papers of approximately 250-500 words each
- 2. Three written section reviews, approximately 750 words each
- 3. In-depth cultural self-study, approximately 2000-2500 words
- 4. In-class writing exercises
- 5. Reading of text, handouts, and articles, approximately 20 pages per week
- 6. Cultural research project which may include essay and/or classroom presentation
- 7. Research paper on a relevant topic, approximately 1250 words
- 8. Written final exam

#### Methods of Evaluation/Basis of Grade:

**Writing:** Assessment tools that demonstrate writing skills and/or require students to select, organize and explain ideas in writing.

Reflective writing, cultural self-study, research paper, inclass writing, cultural research essay

Writing 30 - 50%

**Problem Solving:** Assessment tools, other than exams, that demonstrate competence in computational or non-computational problem solving skills.

None

Problem solving 0 - 0%

**Skill Demonstrations:** All skill-based and physical demonstrations used for assessment purposes including skill performance exams.

Class presentation

Skill Demonstrations 0 - 30%

**Exams:** All forms of formal testing, other than skill performance exams.

Section reviews, final exam

Exams 20 - 40%

**Other:** Includes any assessment tools that do not logically fit into the above categories.

Class participation

Other Category 10 - 20%
