COURSE CONTENT

Outcomes and Objectives:

Upon completion of this course, the students will be able to:

1. Identify the prominent 20th century fashion designers.
2. Compare the major lasting contributions each designer has made to the fashion industry.
3. Distinguish between each designer's strategy for success in the competitive world of fashion.
4. Compare and contrast designers' styles and how they have evolved during the course of their careers.
5. Summarize each designer's personal history and background.
6. Compare designers' formal/informal education and job experience.
7. Identify each designer's personal philosophy towards design and the fashion industry.
8. Recognize certain basic design elements and analyze how various designers adapted these elements into their own personal style.
9. Compare and contrast various designers, regarding their use of color, line, fabric, and silhouette.
10. Analyze present-day fashions in terms of how they draw from classic designers of the 20th century.

Topics and Scope:

1. What is a designer?
 - a. Differences between designers and manufacturers.
 - b. Long term influence and effect.
